ACKNOWLEDGEMENT

This work would not possible without contribution of several willing people. I have been fortunate that I came across people who were supportive, caring and helped me in every way they could.

With profound reverence, I express my deep sense of gratitude to my supervisor Dr. P.S. Jassal, Associate Professor, Department of Chemistry, SGTB Khalsa College, University of Delhi, Delhi, for his guidance, invaluable help and encouragement, without which it would have been impossible for me to complete this work. His constructive criticism, suggestions, positive thought has been my source of strength throughout the work.

I would like to express gratitude to Professor S.M.S. Chauhan and Professor Ashok K. Prasad, who are members of my Ph.D. advisory committee. Their perpetual energy and enthusiasm in research had motivated all the research students in the Department of Chemistry, University of Delhi, including me.

I would like to thank Dr. Jaswinder Singh, Principal, SGTB Khalsa College, University of Delhi for extending the infrastructure for the research work and giving an opportunity to work on this research.

I would also like to express my grateful thanks to Prof. Manjeet Jassal, Department of Textile Technology, Indian Institute of Technology, New Delhi, for her help in NMR analysis.

I would like to thank Dr. Neelam Anand, Associate Professor, Department of Chemistry, SGTB Khalsa College, University of Delhi,and Mrs. Nividita Chatterji for their concern.

I sincerely thank all the Lab-staff of Chemistry Department, SGTB Khalsa College for their co-operation and providing all the facilities to me.

I also sincerely thank all the technician of University Science Instrumentation Centre, University of Delhi, for their co-operation and providing all the facilities to me.
I would like to thank all the members of Central Science Library and Central Computer Centre for providing all the facilities to me.

I warmly thank Elumalai for their valuable advice and friendly help. I also thank Anamika, Manmohan, Rakesh, Rini, Shikha, Meenakshi and Hirak Kumar Mandal for every possible help from them whenever I needed.

I would like to thank my sister Bhagyashri for giving me motivation and concern about me, providing emotional strength and support during my toughest time, I feel proud of her talents. I cherished the support between me and her, and I would like to thank Mr. Jeeban Shetty for help whenever required.

My deepest gratitude goes to my parents for their unflagging love and support throughout my life. I am indebted to them, who have been my pillars of strength and support and a constant source of love, affection, blessings and encouragement. I have no suitable words that can fully describe their everlasting love for me. I remember their constant support when I encountered difficulties.

I would like to thank my husband Mr. Pravin Raut for his co-operation.

I would like thank my Musaji Late Mr. Yash Mate Chattered Accountant, Nagpur for his concern.

Most of all, my endless thanks to Almighty God, for making my dream come true and academic aspirations a reality, with all his blessings and wish for accomplishing this work. May your name be exalted, honored, and glorified.

Vaishali Dhamande
