ACKNOWLEDGEMENT

I express my deep sense of gratitude to Professor Dr. Mrs. Vimal Deorao Bijwe, Head of Post Graduate Teaching Department Home Science, Amravati University, Amravati for her most valuable advice guidance and encouragement in carrying out the investigation successfully. She has always been a source of inspiration for me and helped me to complete the work.

I extend my grateful thanks to Dr. J. S. Janbandhu lecturer, Vidharbha Mahavidyalaya, Amravati, for the valuable cooperation given by him.

I express my thanks to Mrs. Malati Gaikwad, Lecturer Vidharbha Mahavidyalaya, Amravati, for her valuable help in carrying out statistical calculations of the investigations.

I am extremely thankful to Dr. Rajammal Devadas, Chancellor of Shri. Avinashilingam Deemed University, Coimbatore for allowing me to use library of Shri. Avinashilingam Institute of Higher Education for Women, Coimbatore.

I am thankful to Shri Kundan Raut, College Of Rural Services Amravati, for helping me in the typing work.

Last but not least, my thanks are also due to the Nagpur City Weavers for responding in the survey work.

(MRS. VIMAL G. ADHAU)
