ACKNOWLEDGEMENTS

At the outset I would like to express my gratitude to Sant Gadge Baba Amravati University, Amravati for providing me an opportunity to complete my Ph. D. in Home Science (Clothing and Textiles) by research.

It is my proud privilege to record my sincere thanks to Marathwada Agricultural University for having given me permission to do Ph. D. in Home Science (Clothing and Textiles) by research. I also acknowledge my heartfelt thanks to the Faculty of Home Science and Dept. of Clothing and Textiles, College of Home Science, MAU Parbhani for the same.

With a sense of high resolve and reverence I wish to place on record my deep sense of gratitude to kind hearted and Honorable guide Dr. Vimal Adhau, Ex. Reader, Matoshri Vimalabai Deshmukh Mahavidyalaya, Sant Gadge Baba Amravati University, Amravati for her valuable guidance and critical care and concise suggestions throughout the period of my research work.

Nothing will suffice to express my indebtedness Dr. D. M Shere, Asso. Prof. Dept. of Food Science, College of Food Technology, MAU Parbhani for lending his expertise in the field of starch extraction and his valuable, timely suggestions and help due to which I could work in this field of research.

I acknowledge my sincere thanks to Dr. Asha Mane Head, Dept. of Home Science, Sant Gadge Baba Amravati University, Amravati for her valuable guidance in outlining the summary of this research work.

It is my pleasure to wishfully record my sentimental gratitude to Prof. D. Murali, Associate Dean and Principal, College of Home Science, MAU, Parbhani for her constant encouragement to accelerate the speed of my work throughout the period of my research.
I acknowledge my heartfelt thanks to Dr. Snehlata Reddy and Dr. Shyamala Harode, Ex- Associate Dean and Principals, College of Home Science, MAU, Parbhani for their encouragement and inspiration for initiating research work.

I am grateful to Prof. P. R. Waghmare, Asso. Prof. Dept. of Agricultural Economics and Statistics and Mrs. Madhuri Kulkarni, Asstt. Prof. Dept. of Home Management for their valuable guidance and help in statistical analysis.

I would particularly like to express my special gratitude to Dr. Pramanik Head of the department, Dr. Chakraborty, Dr Solankar. Mr. Deshpande, Mr Golegoankar of the Department of Textile Technology, Shri Guru Gobind Singji College of Engineering and Technology, Nanded for their timely help in the textile testing of the samples.

I must express my thanks to Dr. Krishnabai head, Dept. of Clothing and Textiles and the authorities of Avinashlingam Institute for Home Science and Higher Education for Women, Coimbatore for extending the facilities for relevant literature collection.

I will fall short in my duties if I will not acknowledge the help rendered by Ms. Rashmi and Ms. Sangita in executing the research work. I must express my sincere thanks to Dr. Asha Arya for her support in completing the thesis.

I must convey my gratitude to all the respondents of my survey who agreed to be interviewed and co-operated. I am also indebted to the judges and persons from the field of Clothing and Textiles and to the persons from the commercial laundries for their invaluable help in conducting the experiment.
The words are not enough to express my profound sense of gratitude and love to my beloved father Mr. N. H. Kale, Ex-Head, Dept. Agronomy, PDKV, Akola, a driving force behind me for conducting and completing research work.

A very special acknowledgment is due for my husband Mr. R. S. Pawar for his never ending support, co-operation and encouragement throughout the research period.
