LIST OF TABLES

1. Table 1.1: A brief account of the history of the University of Jaffna 18
2. Table 1.2: The number of undergraduates admitted in the years 2006 and 2007 26
3. Table 3.1: Mode of privatization of some companies 120
4. Table 3.2: Public and private sector banks in Sri Lanka 121
5. Table 4.1: Gender representation of the student sample 136
6. Table 4.2: Reasons for students’ instrumental motivation to learn English 142
7. Table 4.3: The component/s students preferred most 149
8. Table 4.4: The component/s students desired least 152
9. Table 4.5: Students’ preferences for major components they studies (across universities) 154
10. Table 4.6: The components students preferred to add in to the existing lesson materials 155
11. Table 4.7: Students’ preferences for English novels (across universities) 160
12. Table 4.8: Students’ attitudes towards the English language programme 161
13. Table 4.9: Students’ perceptions of the adequacy of the current assessment practices 171
14. Table 4.10: Students’ perceptions regarding the desired changes in the assessment practices 172
15. Table 4.11: Number of speaking activities in the lesson materials – Faculty of Arts, University of Colombo 181
16. Table 4.12: Number of speaking activities in the lesson materials – University of Jaffna 181
17. Table 4.13: Number of activities for each skill in the lesson materials – Faculty of Arts, University of Colombo 183
18. Table 4.14: Number of modules and units for each skill – Faculty of Management, University of Jaffna 184
19. Table 4.15: Number of grammar items in the lesson materials – Faculty of Arts, University of Colombo 189
20. Table 4.16: Number of poems in the lesson materials – Faculty of Arts, University of Colombo
21. Table 5.1: Qualifications of the teachers
22. Table 5.2: Teaching experience of the teachers
23. Table 5.3: Teachers’ views on student performance
24. Table 5.4: Teachers views on student performance across universities
25. Table 5.5: Reasons for the improvement in students performance
26. Table 5.6: Reasons for the decline in student performance
27. Table 5.7: Factors that affect student performance negatively
28. Table 5.8: Teachers’ methods in teaching English
29. Table 5.9: Teaching methods teachers’ claimed to use (across universities)
30. Table 5.10: Teachers’ views on the relation between teaching and student performance
31. Table 5.11: Teachers’ views on the relationship between teaching and student performance (across universities)
32. Table 5.12: Formal training of the teachers’ in lesson materials preparation
33. Table 5.13: Teachers’ sample by duration of formal training in lesson materials preparation
34. Table 5.14: Teachers’ experience in lesson material preparation
35. Table 5.15: Main factors teachers consider in materials preparation
36. Table 5.16: Teachers’ main concerns in lesson materials preparation (across universities)
37. Table 5.17: Teachers’ preferences in selecting content areas
38. Table 5.18: Reasons for teachers’ choice of content
39. Table 5.19: Reasons for teachers’ preferences for content selection (across universities)
40. Table 5.20: Teachers’ preferences for poems by a local/foreign writer
41. Table 5.21: Reasons for preferring the local writer’s poem
42. Table 5.22: Reasons for preferring the local poet's work (across universities)
43. Table 5.23: Reasons for preferring the foreign poet's work
44. Table 5.24: Reasons for preferring both local and foreign English literature
45. Table 5.25: Teachers' awareness of benchmarks for undergraduate ELT
46. Table 5.26: Teachers' opinions on having nationally set goals for undergraduate ELT
47. Table 5.27: Areas where changes are expected via implementation of nationally set goals
48. Table 5.28: Teachers' awareness of the status of languages
49. Table 5.29: Teachers' awareness of university language practices
50. Table 5.30: Teachers' views on languages in relation to each other
51. Table 5.31: Teachers' views on English medium instruction
52. Table 5.32: Teachers' preferences for English medium instruction (across universities)
53. Table 5.33: Teachers' views on the adequacy of the current assessment practices
54. Table 5.34: Reasons for the teachers' perceptions of the testing practices in use
55. Table 5.35: Teachers' views on the current test moderating system
56. Table 5.36: Teachers' suggestions for improving assessment practices
57. Table 5.37: Teachers' suggestions for improving assessment practices (across universities)
