Acknowledgement

This thesis is the outcome of scrupulous work whereby I have been accompanied and supported by many people. It is a pleasant opportunity for me to express my genuine gratitude for all of them.

The first and foremost, to whom I wish to express my deep and sincere gratitude is the most outstanding supervisor, sympathetic and supportive my esteemed guide, Hon’ble Dr. A. P. Rajput, Associate professor and Head, Department of Chemistry, Z. B. Patil College Dhule, without his inspiring guidance, fruitful discussion, critical supervision, instructive criticism and constant encouragement the research work would never be materialized. His trust and scientific excitement inspired me in the most crucial moment of making right decision and I find myself privileged to have worked under his kind guidance.

I am equally grateful to Hon’ble Prin. Dr. K. B. Patil, former Vice-Chancellor, Hon’ble Prof. Sudhir U. Meshram, Vice-Chancellor of North Maharashtra University, Jalgaon. Dr. M. V. Baride, former Registrar, Dr. A. M. Mahajan, Registrar, Prof. D. H. Hundiwade, Director, BCUD, North Maharashtra University, Jalgaon, for giving me the opportunity to work at the P.G. research center, Department of Chemistry, Z. B. Patil college, Dhule.

I express my sincere thanks to Principal Dr. P. H. Pawar, Z. B. Patil College, Dhule for providing the basic infrastructure for my research work.

I take this opportunity to express my gratitude to Head, Prof. S. Mishra, Prof. R. D. Kulkarni, Prof. J. B. Naik, Prof. Vilas S. Patil, Department of Chemical Technology, NMU, Jalgaon. Director, Prof. P. P. Mahulikar, Prof. D. H. More, Prof. A. U. Borse, School of Chemical Sciences for their valuable suggestions.

With deep sense of regards I express my thanks to Principal Dr. J. B. Anjane, H. M. Baviskar, Dr. R. V. Bhole, Dr. P. R. Mahajan, S. V. P. Arts and Science College, Ainpur, for their constant encouragement.

I am grateful to Director, SAIF, IIT, Bombay, Director, Wockhardt Pharmaceutical, Aurangabad and Head, Department of Chemistry, Shivaji University, Kolhapur for providing NMR, Mass and IR spectral analysis.

I express my thanks to Principal Dr. D. R. Patil, Dr. Ulhas Patil, Head, Department of Microbiology, R. C. Patel College Shirpur for antimicrobial testing of synthesized compounds.
I express my sincere thanks to the Director, NCL, Pune for providing library facilities.

I also wish to thank Mr. M. C. Sonanis, Dr. B. L. Choudhari, Dr. P. V. Anbhule, Dr. Hemant Chandak, Rahul P. Sarode, Dr. D. M. Badgujar, Sachin Badgujar for lending a helping hand whenever I needed.

I would not forget the company I had of research scholars and friends Dr. S. S. Rajput, Dr. P. D. Girase, T. A. Rajput, B. S. Patil, M. K. Patil, Dr. N. B. Patil, Chandrashekhar Choudhari, Yogesh A. Pawar, Pramod S. Nagle, Dr. Atul E. Sonawane, Dr. S. M. Bharambe, Ajay P. Nikum, Mayur Choudhari, Sujay Mahajan, Dipesh Mahajan for their help and cooperation.

I would like to extend my appreciation to my colleagues from Department of Chemical Technology, North Maharashtra University, Jalgaon, for their valuable advice and discussion during research work. I will be failing in my duty if I do not mention the administrative staff of North Maharashtra University, Jalgaon for their timely help.

Finally, I wish to record a deep sense of gratitude for my parents, my wife Mangala Gore, my daughter Gayatri and son Yash whose patience and assistance deliver me happiness during work.

Mr. Rambhau P. Gore
Research Student
