ACKNOWLEDGEMENT

I express my deep sense of gratitude and indebtedness to Prof. A. K. Handique, Department of Biotechnology, Guwahati University, Guwahati for his enthusiastic encouragement and guidance during the entire period of my investigation leading to presentation of my thesis. I also express my sincere indebtedness to Dr. H. P. Deka Baruah, Scientist, Biotechnology Division, NEIST (formerly RRL, Jorhat) who shouldered over a lot of pain, for his vivacious and competent guidance, constructive criticism throughout the course of investigation and preparation of this manuscript. I shall remain ever grateful to him.

I shall remain grateful to Dr. P. G. Rao, Director NEIST (formerly RRL, Jorhat) for his kindness, suggestion and allowing me to carry out the investigation as a guest worker in this premier institute.

I owe an inestimable debt and express my gratitude for the help and advice given by Dr. B. S. Dileep Kumar, Dr. N. Saikia and other colleagues of NEIST (Formerly RRL, Jorhat). I express my gratitude to Dr. B. K. Gogoi, Scientist, NEIST (Formerly RRL, Jorhat) for his valuable suggestions and encouragement during the course of the study.

I also express deep sense of gratitude to Mr. B. P. Baruah, Head, Coal Chemistry Division, NEIST (Formerly RRL, Jorhat) for introducing me in this new field of research and helping me in various ways in attaining the goal.

I am thankful to Dr. B. K. Ray, Computer Specialist, Jorhat for his constant encouragements, valuable technical suggestions and constructive efforts for statistical analysis of data and mammoth task of typing of the manuscript.

My sincere appreciation goes to Dr. B. Gogoi, Principal, Margherita College, Margherita for his support and encouragement.

Heartfelt sincere thanks goes to Mr. Bipin Ch. Neog and his family for fatherly supports during the course of my investigation.

I feel penury of words to express my sense of appreciation to my wife and my friends for their affectionate, untiring patience, constant encouragement and support for successfully accomplishing the feat.

Above all I remember almighty God for his benevolence and for synchronizing everything in perfect harmony, which led to the successful accomplishment of this manuscript.
