Acknowledgement

It is a moment of gratification and pride to look back with a deep sense of contentment and gratitude at the long traveled path, to be able to capture some of the finest moments, to be able to thank the infinite number of people, some who were with me from the beginning and some who joined me later, whose love and blessing have made this day possible for me. It is said that ‘accomplishments must be credited to those who have put up the foundations of the particular chore’.

It is with deep sense of gratitude and humbleness I express my sincere thanks to my eminent, esteemed teacher and research guide Dr. K.R. ALAGAWADI, Professor, Department of Pharmaceutical chemistry, KLE University's College of Pharmacy, Belgaum, for his unparalleled and excellent guidance, also his constant inspiration, kind co-operation, untiring patience, constructive criticism, and unending enthusiasm have enabled me to complete my dissertation.

I would like to express my warm regards to Dr. A. D. Taranalli, Principal, KLE University’s College of Pharmacy, Belgaum, for his kind cooperation in providing all the necessary requirements to carry out this research project with ease and efficacy.

I am really thankful to my colleagues and friends Amol Shah, Yuvaraj Mandavkar, sidhu palled Pramod Shirote, Sanjay Bhawar, Shivkumar,

*With immense pleasure I would like to convey my deep sense of appreciation and love to Papa, Mummy for their strong piety and pantheism enabled me to face the world without fear and with pedantic strength. With great pleasure I would like to express my gratitude to my beloved sisters-Bharati, Sadhana and brother in laws, brother-Vijay and their kids-Harsha, Rutvik, Adwait, Atharva and Shrushti for their blessings, everlasting love, encouragement, moral supports and constant prayers.*

*Thanks forever.......*
