ACKNOWLEDGEMENT

My deep heartfelt gratitude to my guide Dr. R. SUBRAMANIAN, Associate Professor and Head, Department of Advanced Training and Coaching, Tamil Nadu Physical Education and Sports University, Chennai for his constant guidance, supervision and encouragement, which paved the way for the development of independent thinking and innovative ideas. It was his guidance, and scholarly analysis helped me for the successful completion of this thesis.

The research scholar is grateful to Prof. K. VAITHIYANATHAN, Vice Chancellor, Tamil Nadu Physical Education and Sports University, Chennai for his encouragement and support to carry out my thesis.

I extend my wholehearted thanks to the incomparable help rendered by Dr.P. SAMRAJ, Professor, Department of Physical Education and Dr.S. THIRUMALAI KUMAR, Associate Professor, Department of Physical Education, and all the faculty members of the Tamil Nadu Physical Education and Sports University, Chennai.

The investigator wishes to record his wholehearted thanks to the Physical Directors and heads of the Schools in Puducherry, Karaikal, Mahe and Yanam Regions, who accorded permission to collect necessary data for this study from their students. The investigator also extends his heartfelt thanks to the students who served as subjects for this study.

The investigator extends his wholehearted thanks to all his colleagues, friends and family members for their wholehearted support in the successful completion of my Ph.D., work.

MATHIVANAN. A
