ACKNOWLEDGMENT

All thanks and praises to GOD who is kind and beneficent. His kind blessings guided me to the completion of this research work. First and foremost, I extend a profound sense of gratitude and indelible indebtedness to my esteemed Teachers Dr. L. K, Hazarika, Dean Faculty of Agriculture, Assam Agricultural University, Jorhat, Dr. Dipsikha Bora, Professor, Department of Life sciences, Dibrugarh University, Dibrugarh, Assam and Dr. K. C. Puzari, Professor & Head, Department of Plant Pathology, Assam Agricultural University, Jorhat, Assam for their generous supervision, constructive comments, correction of manuscript and continuous guidance throughout the period and monitor the research work.

I am highly thankful to Dr. L. Saikia, Professor & Head and other faculty members of Department of Life sciences, Dibrugarh University, Dibrugarh, Assam, for their keen interest in my research work.

I express the deepest sense of gratitude especially to Dr. S. K, Dutta, Professor & Head, Department of Entomology, Assam Agricultural University, Jorhat, Assam for his interest, constant encouragement, valuable suggestions and spontaneous help in various spheres towards preparing of this manuscript.

I offer my Sincere thanks to Dr. Pranab Dutta, Scientist, Department of Plant Pathology, Assam Agricultural University, Jorhat, Assam for his sincere help and inspiration during the course of the study.

I wish to put forth inexpressible heartful thanks to Dr. Anjumoni Devee, Dr. Binoy Roy, Mr. Utpal Borah, Mrs. Doli Borah Sister, Nephew, Gautam
Handique, Research Scholar, all well wishers who have generously render their manifold help when ever needed.

I also offer my sincere thanks to Mrs. Jogomaya Hazarika, Senior Technical Officer, NEIST, Jorhat for her constant inspiration and encouragement during the course of study.

I would like to offer my head bowed regards and sincerity to my Mother in law Mrs. Bina Hazarika. Brother in law Mr. Ripunjeet Hazarika and Sister in law Mrs. Manjurima Hazarika for their blessings and moral support for a fruitful future.

I convey tie of feelings to my adored husband Mr. Chiranjeet Hazarika, who has always been an admirable companion without whose constant inspiration, help and innumerable sacrifices it would have been difficult to carry out this research work.

Lastly but not the least, I offer my head bowed regards to my parents Late M.C.Das (Father) and Late S. Das (Mother), brother, sister and other relatives for their affectionate blessings and ever lasting inspiration beyond the academic scene.
