Acknowledgement

At the very outset I would like to offer my deepest gratitude and indebtedness to my research supervisor Dr. M.J. Bordoloi, Senior Principal Scientist, NPC Division, CSIR NEIST, Jorhat for his continuous encouragement, constructive and disciplined technical advice and functional freedom without whom this work would not have been in this shape.

I take this opportunity to acknowledge my sincere thanks to Dr. P.G. Rao, Director, CSIR NEIST, Jorhat for bestowing me the opportunity to carry out my research work at CSIR NEIST and consenting to act as my co-supervisor with his valuable suggestions and inspirational attitude towards my project. I will remain ever grateful to him.

I am glad to convey my thanks to Dr. N.C. Baruah, HOD, NPC Division, NEIST who also encouraged me every now and then to get on with my work.

I sincerely thank the Department of Education, Govt. of Assam for having allowed me to do my PhD as a part time research worker at NEIST and Dr. S.K. Dutta, Principal, Jorhat Institute of Science and Technology (formerly Science College) for his support in this venture.
I must acknowledge the help offered by Dr. Paran Baruah, Mrs Purnajyoti Deka Bhuyan and Ms. Kabita Phukan of MAEP Division in finding antifungal activities of my samples, Dr. A.K. Hazarika, former HOD of Analytical Division, Mr. O.P. Sahu, Mr. P.P. Khaound and Dr. Prakash Jyoti Saikia in recording my spectral data, all the staff members of the library of NEIST, specifically Mr. Makhan Bora.

I must thank Dr. Iswar Ch. Baruah of Assam Agricultural University for collecting and identifying some of the plants for my research work.

Important assistance from my former students Dr. Khirud Gogoi, Dr. Partha Pratim Saikia, Mr. Bibekjyoti Bora, Mr. Prasantajyoti Gautam, Mr. Abhisek Goswami, my nephew Amalin Phukan and my son Mr. Paribhraj are solemnly recognized. I thank Mr. Ankur Mahanta for his help in doing DTP work and Mr. Jayanta Bordoloi for the statistical analysis work; also, Mr. Mahananda Chutia, Central Muga and Eri Research and Training Centre, Lahdoigarh, Dr. Pritish Chowdhury, Late Dr. Jadab Sharna, Dr. D.K. Dutta, Dr. (Mrs) A.M. Das, of NPC Division, NEIST for their active good will towards me. I shall remain thankful to Mr. Biren Bora, Mr. Romen Saikia, and Raju of NPC Division for their invaluable help and support in various experimental works. I also, acknowledge the help and cooperation of my lab mates at NPC Division, namely Dr. Dipak Roy, Dr. Dilip Bora, Monmi, Sudeshna, Biswajit, Dwipen, Joshep and Partha Pratim Dutta.

I would also like to thank Dr. B.N. Gogoi, Prof. L.K. Bhattacharjee, Late Dr. N.N. Goswami, Late Dr. Aboni Ch. Goswami, Dr. Sanjib Das, Mr. P.K. Mahanta, Dr. G.N.
Lakshmi, Dr. B.J Sarma, Dr. (Mrs.) P. Hazarika, Mr. D.J Bora, Mr. Arup Kr. Goswami and all other my present and past colleagues of JIST for their active support.

At this moment, I recall to my mind all my teachers from Primary to Postgraduate level for their contribution in so many ways to my academic career and also all the faculty members of Chemistry Department and other staffs of Dibrugarh University for their kind help and cooperation from time to time.

At last, I gratefully mention the names of my parents Sri Debeswar Bordoloi and Mrs. Prabhawati Bordoloi for their unflagging inspiration, support and encouragement without which I would not have been here. I also very must indebted to my wife Indrani, my sons Paribhraj and Pratyush and other family members Ely, Anjan, Jaganta, Diganta, Susanta, Malabika, Gitali and Dilip Bora for their affectionate encouragements and moral support.
