ACKNOWLEDGEMENT

“Gurur Bramhaa Gurur Vishhnu Gurudev Maheshwara
Guru Saakshaat Parambramha Tasmai Srii Gurave Namah”

Words could not be found to convey the deep gratitude and debt to my mentor and Guru Dr. Hirak Jyoti Ghosh Roy, Professor, Institute of Management Studies & Research, Maharshi Dayanand University, Rohtak. Even the ‘Shloka” above, may not express my gratitude for his continued help and guidance to the fullest in my academic endeavo.

With a deep sense of gratitude, I express my sincerest thanks to my mentor, my guide and my Guru Dr. H. J. Ghosh Roy for his immense help in planning and executing the present research work in time. The confidence and dynamism with which he guided me and my work needs no elaboration. His overly enthusiastic and integral view on research and his mission for providing ‘high quality research work’ has made a deep impression on me and my vision. I owe him a lot of gratitude for having shown me the right way of pursuing research. I am very thankful to the ‘almighty’ that I have come to know Dr. H. J. Ghosh Roy in my life.

No words can adequately express my gratitude to my family. I feel deep sense of gratitude for my parents who formed part of my vision and taught me the good things that really matter in life. I am indebted to my parents for always being there for me and for always believing in me. They rendered to me an enormous support during the whole tenure of my research.

My special gratitude goes to Prof. (Dr.) Ravinder Vinayak, Dean, Department of Commerce, Maharshi Dayanand University, Rohtak, because without him this work would not have been complete today. Right from selection of the title of the thesis to the submission stage he has helped me in this academic endeavour.
My sincere thanks are due to Prof. Neelam Jain, Director, Institute of Management Studies & Research, Maharshi Dayanand University, Rohtak, for giving me the permission to commence this thesis in the first instance, for her worthy suggestions and to use the institutional facilities to do the necessary research work.

I specially thank Prof. (Dr.) Narender Kumar, Department of Commerce, Maharshi Dayanand University, Rohtak who kept keen interest in the progress of my work and was always available when I needed his advice.

I would specially like to thank Dr. Sanket Vij, whose support, unsurpassed knowledge, and advice has been invaluable during my research work. His thorough knowledge and logical discussions has always been a stimulating factor to keep going on and on exploring the depths of the subject.

I feel highly indebted to Prof (Dr.) Daleep Singh, Prof (Dr.) Mukesh Kr. Dhusna, Prof (Dr.) Suresh Kumar Bedi, Dr. Nasib Singh Gill, Dr. Ajit Singh Boora, and Dr. Rishi Chaudhary, for the help extended to me whenever approached and the valuable discussions that I had with them during the course of the research. I will be failing in my duty if I do not thank Mr. R. K. Bajaj, Dr. Deepak Gupta, and other secretarial staff of the institute for their timely help. I am also very grateful to many other people who have helped me in not getting lost during this research work by taking out valuable time from their extremely busy schedules to read, comment, clarify and argue a lot of issues included in the present thesis.

I feel deep sense of gratitude for the better-half of my life, my wife Mrs. Savita Mehta, for always being there to encourage, motivate and believe in me. I am also very thankful to my daughter ___________ for her naughty and supportive activities to unwind me mentally during the course of my work. As the brunt of my occasional outburst of bad temper was borne by my family, without the constant and cheerful support of my wife, and daughter, the task would have been impossible. Their tremendous co-operation,
patience, support, encouragement, understanding and love helped me to bring this effort to fruition.

Last of all, I express my indebtedness to all those who have not been explicitly mentioned but made substantial contributions to the study. The chain of my gratitude would be definitely incomplete if I would forget to thank the Almighty.

With Gratitude and Respect

Rajiv Mehta
