ACKNOWLEDGEMENTS

Working on a Ph.D. is supposed to be an endeavor completed in seclusion, but in practice one cannot survive without the help and support from others, fruitful scientific discussions, collaborative development of papers and valuable pieces of advice. This research work would not have reaped as fruit without wholehearted encouragement and live involvement of my teachers, family, friends and well-wishers. It is just like climbing a high peak, step by step, accompanied with bitterness, hardships, frustration, encouragement and trust and with so many people’s kind help. When I found myself at the top enjoying beautiful scenery, I realized that it was, in fact, teamwork got me here. Although it is not possible for me to name and thank them all individually, I must make special mention of some of the personalities and acknowledge my sincere indebtedness to them, and in particular:

**GOD** – the great truth of the life, who gave me opportunity to prove myself by giving me great ability of hard work and will power for achieving the goals.

**Dr. Bhavesh Patel** – my research guide, for the continued follow-up and valuable directions he has given me all the way through this research work. He has become a ray of light that show me right path and lead me to achieve my goal.

**Prof. Gautang Shah** – Principal of KBIPER, for his overwhelming enthusiasm, untiring co-operation, constant encouragement, critical remarks, precise discussions, timely suggestions and nourishment knowledge he conferred upon me.

**Prof. A. K. Shukla** – PG Director of KBIPER. Accurate, immanent and systematically planned working is really a precious tool to be succeed, which I have learned from him.
**Prof. Priti Trivedi** – HOD of Pharm. Chemistry Department, for her valuable contribution to the research work and advice she has given me.

**Prof. Pragna Shelat** – HOD of Department of Pharmaceutics, for her profound guidance and sharing of knowledge.

**Prof. Maitrey Zavare** – HOD of Department of Pharmacognosy, for her kind help and support rendered during the study.

**Prof. Shrikali Deshpande** – HOD of Department of Pharmacology, for his moral support. He has been the pathfinder to my success in achieving the completion of this thesis.

Hetal, Bhavesh, Punit, Vinit, Archita, Sonal, Lata, Priyanshi, Roshni, Nishith, Hardik, Kinjal, Charming, Vaidehi, Jigat, Rajesh, Nimisha, Grishma - amazing friends who surround me, love me and make life fun. I thank them for their helpful comments and encouragement.

Dr. Anita Lalwani, Dr. Ashlesha Makwana, Dr. Niranjan Kanki, Chaitanya Bhatt, K. M. Patel, Pratik Oza, Mehul Chorawala, Palak Shah, Bhavita Dhru, Mallika Babu, Vandit Trivedi, Divyang Dave, Divyesh Shashtri, Hitesh Dodiya, Tarachand Lalwani, Naresh Naidu – staff members of KBIPER, who always offered me a lot of friendly help, valuable suggestions and on the spot solution of any problem.

**Mr. Vinod Patel** – store incharge of KBIPER, for his moral support in providing all reagents at any time.

Monaben, Kalpeshbhai, Pradipbhai, Brijeshbhai – laboratory technician of KBIPER, for their involvement and friendly attitude during my work.

Harshadbhai Patel, Anitaben Patel, Patindaben Patel, Ritaben Patel, Rajnibhai Patel – office staff members for assisting me during the most essential computer work and many other individuals who have contributed in one or the other towards completion of my studies.
Mayaben, Alkaben, Avaniben – librarians of KBIPER, for their support and assistant since the start of my literature review work.

Mandaben, Maheshbhai, Hemantbhai, Vijaybhai, Kalpeshbhai, Babubhai, Sharadbhai, Girishbhai, Bharatbhai – non-teaching staff members of KBIPER, for their supporting approach throughout the course of my research work.

Late Shri Maneklal Patel, Shri Vallabhbhai Patel - Vice President, Kadi Sarva Vishwavidyalaya, for providing me a good platform and all the necessary facilities without which I can never complete this research work successfully.

My parents, Savitaben Modh and Kantilal Modh, two people with an irrational, unbreakable belief in me. My family, which continues to support me throughout my career.

I am indebted to my many students for providing a stimulating and fun filled environment.

Finally, I would like to thank everybody who was important to the successful realization of this thesis, as well as expressing my apology that I could not mention personally one by one.
