ACKNOWLEDGEMENTS

I would like to take this opportunity to extend my deepest gratitude to Dr. Prosanta Kumar Khan, Associate Professor, Department of Applied Geophysics, Indian School of Mines, Dhanbad and Dr. Atindra Kumar Shukla, Senior Scientist and Head (Earthquake Hazard and Risk Assessment), India Meteorological Department, Mausam Bhawan, Lodhi Road, New Delhi for his sincere guidance, constant encouragement and critical supervision throughout my Ph. D. work.

I also express my sincere thanks to Dr. L. S. Rathore, Director General of Meteorology, India Meteorological Department for his constant encouragement and providing excellent facilities to complete the present research work successfully in time.

I am also thankful to Dr. R. S. Dattatrayam, Senior Scientist and Head (Centre for Seismology) and Shri P.R. Badiya Shri G. Suresh, Shri J.L. Gautam, Shri H.P. Shukla, Shri Parmer, Dr. Rajesh Prakash, Shri Dal Singh, Shri R. K. Singh, Dr. A. P Pandey and Dr. H. S. Sisodia, Scientists, Seismology and Earthquake Hazard and Risk Assessment (EHRA) Divisions, India Meteorological Department for their valuable suggestions and support for completion of the works. I am also obliged to Seismology Division, India Meteorological Department for providing the Seismic Waveform and Earthquake Catalogue data to carry out the present study.

My earnest gratitude to Prof. Shalivahan, Head, Department of Applied Geophysics, Indian School of Mines, Dhanbad for his necessary support during the present works. I am also grateful to Prof. S. Mohanty, Prof. P.R. Mohanty and Dr. Rima Chatterjee, Indian School of Mines, Dhanbad for their constructive suggestions. I am thankful to Shri Gourab Tarafder for his help during final editing of the thesis. I am also thankful to three anonymous reviewers for their suggestions on early version of the thesis.

I express my sincere thanks to the Administration of the Indian School of Mines, Dhanbad for their quick responses whichever and whenever required during the entire period of research under my Ph.D. works.

(HIMANGSHU SEKHAR MANDAL)
