Acknowledgements

I acknowledge the support and critical guidance of my supervisors Dr A. S. Venkatesh, Professor, Department of Applied Geology, Indian School of Mines, Dhanbad and Dr. P. V. Ramesh Babu, Scientific Officer-H & Additional Director, Atomic Minerals Directorate for Exploration and Research (AMD), Department of Atomic Energy (DAE), Government of India, Hyderabad for their valuable suggestions and encouragement that motivated me throughout my Ph.D. work. I am indebted for their support and ever helping attitude throughout the entire period of my Ph.D. Work.

I express my sincere thanks and gratitude to Mr. P. S. Parihar, Director, AMD for providing me this rare opportunity and facilities at AMD to carry out research work, leading to Ph. D. Degree from ISM Dhanbad.

I thank Prof. D. C. Panigrahi, Director, Indian School of Mines (ISM) for his support as Director of the institute. I extend my thanks to Prof R Venugopal, Dean(R & D), ISM for his help.

Thanks are also due to Prof. B. C. Sarkar, Head of the Department (HOD), Department of Applied Geology (AGL) for his support and critical review of the draft thesis.

I also extend my thanks to Prof. Shalivahan, HOD, Department of Applied Geophysics, ISM, Dhanbad for critical review of the earlier version of thesis.

I would also like to express my gratitude to Prof. Vishnu Priye, Department of Electronics Engineering, ISM for his support and encouragement.

Sincere thanks are also due to Mr. V. J. Khatti, Regional Director, AMD, DAE, Eastern Region, Jamshedpur for his help during my field trips and sample analysis at different laboratories in the region.

I also thank my wife Mrs. Sushma and my daughters, Ms. Apurva Sinha and Ms. Priyanshi Sinha for their help, constant encouragement and immense moral support.
during preparation of my thesis without which it would not have been possible to complete the work. I also express my deep sense of gratitude to my mother, Late (Mrs.) Nirmala Devi and to my father Sri Awadheshwar Prasad, my sisters Mrs. Shobha Sinha, Manju Shree and Mrs. Jayshree and brothers Mr. Vijay Kumar, Mritunjay Kumar and Dr. Sanjay Kumar, sisters-in-law and brother in law for their unlimited source of inspiration, love, support and guidance throughout my life and during my research work.

It is also pertinent to mention here the names of officers of AMD particularly Mr. S. N. S. Birua and Mr. Dheeraj Pande for their support during field work. The helping hand of my colleagues of AMD, Ms. Anubhooti Saxena and Mr. Manoj Sandilya is duly acknowledged during my thesis preparation. I thank Dr. Joydip Mukhopadhyay, HOD, Dept of Geology, Presidency University, Kolkata for the SEM analytical support.

Immense thanks to all faculty members particularly Prof. S. Mohanty, Prof. A. K. Varma, Prof. D. Asthana, Dr. R. K. Dubey, Dr. Sahendra Singh and research scholars Sarita Kabi, Rahul Mukherjee, Karun Kumar Chandan, Vandana Jha, and other students, Akshay Agarwal, Kalyan Pal, M. Pawan Kumar of AGL, ISM, Dhanbad for their valuable suggestions and help during my research work. Last but not the least; I am thankful to all those people who helped me directly or indirectly during the period of my Ph.D. work.

(AJAY KUMAR)

Scientific Officer-G
Atomic Minerals Directorate
for Exploration and Research (AMD)
Eastern Region, Jamshedpur, India.
