Declaration

I hereby declare that the work presented in this thesis entitled “Effects of chronic stress on encoding of space and context in the hippocampus: behavioural and in vivo electrophysiological analyses” is a presentation of my original research work. This work has not formed the basis for the award of any other degree, diploma or any other qualification previously.

Wherever contributions of others are involved, every effort has been made to mention it clearly, with due reference to the literature and acknowledgment of collaborative research and discussions.

This research work comprising this thesis was done under the guidance of Prof. Sumantra Chattarji, at the National Centre for Biological Sciences, Tata Institute of Fundamental Research, Bangalore.
