ACKNOWLEDGEMENT

The unique co-operation and encouragement of my younger brother Mohd. Shahid Khan which he gave me in the early hours of the day and the late hours of the evening helped me in the mental state, in which I was placed during the Research work. My second elder brotherMohd. Graham Khan also extended all his support to me.

I also wish to express my deep gratitude to Dr. (Smt.) Chandra Shivani, Head of the Department of Psychology, Meerut College, Meerut. I do not have appropriate words to express my gratitude to her for the great inspiration, motivation, imagination which she gave me throughout my research work. I also acknowledge regards to my guide's husband Cap. S.K. Garg. for the interest which he took in my research work.

I am also indebted to Ms. (Dr. Chandra Prabha Solanki, Principal, I.N. (P.G.) College, Meerut, for the precious support that she most ungrudgingly gave me. I also place on record my deep thankfulness to Km, (Dr.) Asha Bhatnagar, Head of the Department of Psychology, I.N. (P.G. College, Meerut, for helping me.

I would also like to express my gratitude to my mother, Smt. Razia Khan, because in my stress and strain during this research work she gave me much needed moral support. I owe special thanks to my father Shri A.J. Khan.
The Unique Co-operation and encouragement of my elder brother Mohd. Shahid Khan which he gave me in the odd hours and all the care they gave me whole heartedly striven there most to keep me in fine mental state, in times of great pain, and make it easiest and refine it. I am also thankful to my second elder brother Mohd. Zahid Khan.

I am also thankful to all those students who had acted subjects for data collection. My thanks one also due to all those colleges where I collected data, for this, I went to Meerut College Meerrut, I.N. (P.G.) College Meerut, Faiz-e-Aam Inter College Meerut.

Last but not least, the help given by the librarians of such distinguished libraries as Meerut University Library Meerut, Meerut College library Meerut, Central library of Delhi University Delhi, Library of A.I.M.S, New Delhi, J.N.U Library New Delhi, Library of N.C.E.R.T., New Delhi and Library of Indian Council of Social sciences Research, New Delhi; played the most important role in the difficult task of writing this thesis. I am very much under obligation of all these worthy librarians.
