ACKNOWLEDGEMENT

On completion of my research work on “Life history, Ecology and Biocontrol of *Eusarccoris capitatus* Distant (Heteroptera: Pentatomidae)”, as I proceed to express my gratitude to all those who have helped me in this endeavor. I have no words to express my gratitude to my respectable supervisor Dr. S. C. Dhiman, Entomologist, Department of Zoology, M. S. (P.G.) College Saharanpur. Without him I could not complete this uphill task. Apart from being the guide in the academic sense, he was the “External Fountain, head of Inspiration and Inexhaustible source of encouragement”. In brief, he is a man of distinction.

My parents (Shri Rajpal Jain and Smt. Vimla Jain) showered me necessary affection, infused inspiration and encourage me to complete this project work. My Father who not only inspired and backed me but also acted as a steroid to complete the work. He also helped me a lot in my field work. My heartily respect for them.

The principal and head of zoology department of the aforesaid college had very kindly placed at my disposal all the available laboratory and library facilities. Without their support my task would have become impossible. I pay my grateful thanks to them.

My respected Chacha Ji (Shri Sukhmal Chand Jain) not only responsible to motivate me to embark on this seemingly impossible project but also acted as a catalyst and unhesitatingly gave me all necessary moral support. He showed me all the needed affection and encouragement. I pay my heartily respect to him.

I could not forget the help rendered me in providing library and laboratory facilities by IIT Roorkee, Horticulture Experiment and Training Centre, Saharanpur and IARI, New Delhi. I pay my thanks to them.
My elder sister (Mrs. Ritu Jain) and Jija Ji (Mr. Saurabh Jain) always inspired me by their continuous encouragement and blessings. I pay my obeisance.

My elder brother Mr. Vikas Jain helped me a lot in this research work. Who always remained available even at my short notice and provide me financial support. I acknowledge my heartfelt thanks to him.

My seniors Dr. Pravesh Kumar and Miss. Shalu (Botany Department), and my fellow scholars Mr. Deepak Kumar (Botany Department), Mrs. Shilpi Jain were although a source of inspiration and support. The memories of their association, I will ever cherish in my heart.

My friend Mrs. Pooja Tyagi from Haldwani also played handsome role in helping me a lot in one way or other to complete the project work. They were ever ready to extend a helping hand and brought cheer to me whenever I was downcast. My love, affection and blessing for her.

And at last my acknowledgement to my cousin brothers Mr. Achint Jain and Mr. Rajat Jain also played handsome role in motivating me. They ever ready to extend a helping hand. My love, affection and blessing for them.
