I thank the almighty for giving me an opportunity to express my heart felt gratitude to all who have extended help and support to make the study a success. Further I am obliged to express my deep sense of gratitude to my learned and venerable supervisors Dr. A. K. Bhattacharya, IFS and Dr. (Mrs.) Kiran Sharma, Professor (Zoology), Govt. MVM Bhopal, for guiding me through this research work. I am highly obliged for the intensive efforts put in and pains taken by them in showing me the correct path at every stage towards the completion of this research work.

I am thankful to the Members of the research committee of IIFM, namely Director, IIFM, A. P. Dwivedi, Ex PCCF, MP, Dr. Yogesh Dubey, Lecturer, IIFM, Bhopal, Dr. Parul Rishi, Nodal Officer, FRI Deemed University, IIFM Research Centre, Bhopal,

I am grateful to the Organisations and individuals who have provided valuable information for the research work. These include Archeological Survey of India (Bhopal Circle), Pollution Control Board (Bhopal), M. P. Tourism Department, Census of India Bhopal, Forest Department (Bhopal, Obedullahgunj), Survey of India (Bhopal). K. K. Muhammed (Superintending Archeologist), B. M. Namdeo (GM, Tourism Department Bhopal), DFO, Obedullahgunj, SDO, Obedullahgunj, Mr. Dharmendra Shukla, IFS (Member Secretary, M. P. Pollution Control Board), Cr. P. K. Shrivastava (Sr. Scientist) and Mr. Asad Beg (Jr. Scientist, MP Pollution Control Board), Mr. R. K. Dubey (Secretary, Beejasen Salkanadevi Temple Trust),

For survey, software development and IT support, I am thankful to Almighty Technologies, Mr. Anuj Singh and Devesh Gupta (Analyst and Encoders), Karan Kolahare (Field Surveyor), B S Khushwah (Ground Staff, Forest Department, Delawari Beat, Obedullahgunj, Mr. D. P. Sharma (Forest Guard, Forest Department Bhopal) and the local
field surveyors for their constant and invaluable efforts, and all others local residents of the surveyed villages who have directly or indirectly given their contribution in the conclusion of the field work.

I am immensely grateful and indebted to Dr. Parul Rishi, Nodal Officer (Research) IIFM Center, FRI-DU, who encouraged me and intended all help to submit my work along with her good wishes.

Gratitude is expressed to the University Grants Commission, New Delhi, for granting financial Assistance, without which research would have been greatly hampered.

I owe a great deal to my Parents and my wife for their continued inspiration and support in finalizing this work. It is not possible for me to condense in a few words the great efforts put in and pains taken by them at every stage towards the completion of this research work. Their blessing and faith in me helped me to complete my work. Finally, this thesis is dedicated to my dear son Master Vatsal Sharma.
