ACKNOWLEDGMENTS

I express my profound gratitude to Prof. K. Dasaratharamaiah, Professor, Department of Economics, Sri Krishnadevaraya University, Anantapuram for his valuable guidance throughout the progress of this work. Without his constant encouragement and help it would never have been possible for me to complete this work.

My sincere thanks are due to Prof. G. Satyanarayana, Dean, Faculty of Social Sciences, S.K. University, Prof. P. Ramappa, Chairman, Board of Studies in Economics, S.K. University, Prof. M.D. Bavaiah, Head, Department of Economics and all other staff members of the Department of Economics and Applied Economics, S.K.University, Anantapuram for their help during the course of my Ph.D. work.

I am also thankful to the authorities of Sri Krishnadevaraya University for providing me an opportunity to undertake and successfully completion of this study.

I am also thankful to the officials of Chief Planning Office, Anantapuram who supplied me the necessary data for my study. The Officers concerned at the mandal offices of Battalapalli, Nallamada, Talupula for their cooperation in collection of secondary data.

I am highly thankful to Dr. R. Karunakara Reddy, Associate Professor, Department of Economics, S S B N Degree College, Anantapuram for his constant encouragement given to me in pursuing this research work.

I also wish to express my special thanks to my friends S. Sreenivasulu, V. Raveendra, M N V Prasad, Upendra, Ramanjaneyulu, Sreenivasa Reddy and all my research colleagues for their cooperation in every way during my research work.

Words do not suffice to express my feelings towards my father Sri. B. Venkataramappa and my mother Smt. B. Saraswathamma for their love and affectionate encouragement without which I would not have been able to take up my research work.

It is my duty to express my sincere thanks to my wife Smt. B. Manjula and my kid Chi. B. Kamal Sai Charan, who encouraged and helped me throughout the completion of my research work.

B. Madhu Sudhana
