ACKNOWLEDGEMENTS

Apart from the efforts of me, the success of this investigation largely on the encouragement and guidelines of many others. I take this opportunity to express my gratitude to the people who have been instrumental in the successful completion of this investigation.

First and foremost, I would like to express my deep sense of gratitude to my Research Supervisor, Dr. P. Indira, Professor, Chairman, BOS, Department of Zoology, Sri Krishnadevaraya University, Anantapur, India. She allowed me to develop and pursue my own scientific interests but at the same time sensibly guided me throughout my PhD. I am sure that without her guidance, comments, constructive criticism, inexhaustible patience, and her sincere support, it would have been impossible for me to complete this work successfully.

I convey my sincere thanks to Prof. G.H. Philip, Head of the Department, Prof. K. Radhakrishnaiah (Retd), Dr. B. Srikanth, Assistant professor, Dr. V.V. Balasubramanyam, Teaching Assistant, Department of Zoology, S.K. University, Anantapur, for their helpful suggestions and cooperation endowed during my research.

I wish to express my sincere thanks to my friends and research colleagues Dr. M. Pratap, Dr. Y. Amarnath Reddy, Dr. P. Ranganatham, Lecturer in Zoology, Arts & Science College, Adhoni, Dr. G. I am thankful to M. Sc students, Department of Zoology, S.K. University, Anantapur, Mr. Sreedhar, Mr. Rakesh Kullaiswamy, Mr.Rama Murthy, Mr.Rajesh, Mr.Narasimha Murthy and Mr. Murthy Kumar for their help in doing my research work.

I would like to thank University Gants Commission (UGC), New Delhi, for providing financial support through BSR RFSMS to do research in a better manner.
I wish to express my warmest feelings and special thanks to my wife Smt. G. Gnanamma, for her meticulous help and encouragement I received in my research work.

I am indebted in a measure beyond words to my beloved parents Smt. G. Ramulamma and Sri G. Ramakrishnaiah who have given me life and taught the concepts of life. Diction is not enough to express my gratitude and regards without whose everlasting love and help in every walk of life, this work would not have been possible.

When I think of my beloved brothers G. Ramaiah, G. Karunakara, G. Nagaiah sister Smt. P. Eswaramma and sisters-in-laws Smt. G. Nagaveni, Smt. G. Lakshmidevi and Smt. G. Lavanya my joy and gratitude find no bounds for what they have sacrificed for me. This piece of work could see the light of day only due to their stoical attitude, inspiration, perseverance, encouragement and keenness in the form of their affection.

I extend my thanks to Mr. Nagaraju, Balaji Clinical lab, Anantapur, Mr. Karimullah, Mr. Ismail, Tirupati and the non-teaching staff of the Department of Zoology, S.K. University, Anantapur, Mr. N. Lakshman Rao, Mr. A. Anand Kumar, Mr. G. Mallikarjuna and Mr. T. Prasad for their help and assistance in my laboratory work.

Many friends have helped me during the investigation in one or the other way and I thank all of them.

Thanks to all people who I may have forgotten to mention in this acknowledgement.

GOVINDU LAKSHMAIAH….
