ACKNOWLEDGEMENT

In this wonderful journey, I owe a huge debt of gratitude to many people who guided and accompanied me. This thesis would not have been possible without the support of numerous people, whom I wish to acknowledge.

First, I submit myself in sublimation of the Almighty Lord for the grace and kindness showered on me for the successful completion of this work.

I convey my deepest and sincere gratitude to my supervisor, Dr. Kh. Tomba Singh, Associate Professor, Department of Commerce, Manipur University, who tirelessly guided me with constant encouragement, support, valuable suggestions and useful ideas in completing this work. This learning exercise would not have been possible without his guidance and support.

I place on record my sincere gratitude to Professor O. Brien, Department of English, Manipur University for his timely help in trimming the language aspect of this thesis.

I am greatly indebted to Dr. Rajmani Singh, Associate Professor and Head, Department of Commerce, Manipur University for his continuous encouragement, correction and support during this journey.

No word would suffice to express my regards and deep gratitude to Prof. G.P. Prasain who has been a great source of strength and inspiration to me in each and every phase of the research.

I would also like to extend special, warm thanks to Dr. N. Tejmani Singh, Associate Professor, Dr. Robita Sorokhaibam, Associate Professor, Dr. Kh. Dhiren Meitei, Associate Professor, Manipur University and non-teaching staff of the Department of Commerce, Manipur University for their helpful suggestions and comments during my progress report presentations.
My sincere thanks and gratitude go to R.K. Giridhari Singh, Assistant Professor, Mizoram University for his kind help in completion of this thesis.

I am grateful to the Library staff of Manipur University, Directorate of Planning, Govt. of Manipur, all the executives and heads of offices who provided with useful information for the study.

Let me express my sincere thanks to all those who helped me for the completion of my Ph. D. programme, the officers and staff of Sainik School Imphal who spared me from the school duties.

I remember with gratitude Kh. Premananda Singh, Assistant Master in Mathematics, Sainik School, Imphal for his priceless advice and invaluable support during the study.

I could not have completed this journey without the help of Dr. Kamang Ngamongrei Gangmei, Dr. Kh. Robindro Singh, Dr. N. Dadina Devi, M. Sanjoy Singh and A. S. Rapheileng.

Finally, this thesis is dedicated to my beloved wife, Thoibi and my children, Jaya, Linthoi and Hemanta for their love, patience and encouragement during this long journey, as well as to my beloved brothers, sister-in-law and sisters, who were the concrete foundation of my education.

Once again, I thank the Almighty for helping me with all these wonderful people around me throughout the long journey.
