ACKNOWLEDGEMENT

Research is the systematic study of material and resources in order to establish facts and reach to new conclusion. It is a tremendous task that requires devotion, dedication, direction and guidance.

When I think about my research work, I feel that it cannot be completed without different guiding and helping hands. On completion of my doctoral research work, while looking the past, I feel it as a greatest previleedge bestowed upon me to work under the Supervision of "Dr. J.P.N. Singh", Reader and Head, Deptt. of Zoology, R.H.S. P.G. College, Singramau, Jaunpur. I welcome this opportunity to express deep sense of gratitude and indebtedness to him for suggesting me the topic of research, his able guidance, invaluable suggesting and advices, constructive criticism and also unfailing interest and help at all stages of the work by their prodigious personality.

I am equally indebtedness to our Guru Mata, Mrs. Usha Singh who always showered motherly affection and inspirational guidance.

I wish to express my sincere thanks to the co-supervisor, "Dr. Anil Kishore Srivastava", Former Reader and Head Department of Zoology, for providing the necessary facilities, encouragement and willingness to help and co-operation.

I am grateful to the Principal Dr. V.K. Singh, S.M.M. Town P.G. College, Ballia (U.P.) and Dr. U.P. Singh, Principal, R.H.S.P.G. College, Singramau, Jaunpur, for encouragement, taking interest in my work and providing necessary laboratory facilities.

My appreciation also goes to, 'Ex-Principal Dr. Lalji Shukla, R.H.S.P.G. College, Singramau, Jaunpur' for encouragements, invaluable suggestion and advices during my research work.

My indebtedness to "Prof. A.K. Mittal", Deptt. of Zoology, B.H.U., Varanasi is out of bounds, whose condid support and selfless preservance made this work easy and interesting.
Dr. Anurag Singh, Lecturer, Department of Zoology and Mr. Ambrish Shukla, Lab Assistant of Zoology Department and Vijay Pratap Singh (Computer Department) RHSPG College Singramau, Jaunpur whose inspiration never failed to provided me with moral support to carry out this work.

I bestow my humble gratitude to my elder brother "Er. Rajendra Singh Sengar”, for their constant love and economic support at every step of my research work.

I express my indebtedness to my senior Dr. Ashutosh Kumar Singh, Dr. Archana Singh, Dr. Anil Kumar, Dr. Daya Shankar Dubey, Dr. Nidhi, Dr. S.K. Singh, Dr. A.K. Maurya and Dr. Anand Prakash who have always been overflowing foundation of inspiration in my research work.

I find myself short in words to express my indebtedness to my father, Shri Satya Prakash Singh and Mother, Mrs. KamalBasi Singh, for their love and constant support throughout the tenure of my research. It is due to their blessing that my research work has come out in this form.

How can I forget without acknowledging the constant encouragement, moral support, sincere contribution and inspiration made by my sister Smt. Maya Singh and Jija ji Dr. Amit Kumar Singh throughout the period of this academic persuit.

I register my special thanks to my colleagues Mr Ram Yash Yadav, Mr. Sateesh Chandra Dubey, Devendra Prakash Srivastava, Mr. Amit Kumar Srivastava, Mr. Lallan Prasad Prajapati and Mr. Dharmendra Kumar who always encouraged during this work.

I thank to Mr. Devi Prasad Gupta and his son Asheesh Gupta for good photography and Ankur Asthana for good typing.

My sincere apolgies to all the fishes sacrificed by me for the thesis.

In the end, I thank the Lord Almighty for this infinite grace and blessing that helped to pass through all hurdleless problems.
