ACKNOWLEDGEMENT

I am heartily thankful to my supervisor, Dr. T. Vigneswaran, Professor, Department of Electronics and Communication Engineering, VIT University, Chennai for his guidance, support and encouragement throughout the course of this research work and my studies at the SRM University.

I owe my deepest gratitude to my joint-supervisor Dr. Ashwani Kumar Rana, Assistant Professor, National Institute of Technology, Hamirpur for his valuable suggestions and advice during my research work carried out at NIT, Hamirpur.

My earnest thanks to Dr. M. Ponnavaikko, Vice Chancellor, SRM University for his valuable suggestions and advice during my research work. Also, I express my sincere thanks to Dr. C. Muthamizhchelvan, Director (E&T), SRM University for his kind moral support during my research work. I owe special gratitude to Dr. Rajnish Shrivastava, Director, National Institute of Technology, Hamirpur for his kind advice and moral support during my research work.

I would like to thanks my doctoral committee Dr. P. Sakthivel, Professor, Department of ECE, College of Engineering, Anna University, Chennai, Dr. M. Manikandan, Assistant Professor, Department of ECE, MIT Campus, Anna University and Dr. K. Ganesan, Professor and Head, Department of Mathematics, SRM University, Kattankulathur for their kind suggestions during my research work.

My special thanks to Dr. S. Malarvizhi, Professor and Head, Department of Electronics and Communication Engineering, SRM University for her moral support and valuable suggestions during my research work.
I owe sincere thankfulness Dr. Kashmir Raja, Dean (Research), SRM University and Dr. Vinod Kapoor, Dean (Academics), National Institute of Technology, Hamirpur for their kind suggestions during my research work.

I am obliged to all the faculties (teaching and non-teaching), Department of Electronics and Communication Engineering, SRM University who supported me and provided me great information resources during my research. I am truly indebted and thankful to all the faculties (teaching and non-teaching), Department of Electronics and Communication Engineering, National Institute of Technology, Hamirpur who supported and provided me great information resources during my research.

It is a pleasure to thank my father Dr. Satyavir Singh Nandal, mother Dr. Azad Kaur, sister Dr. Manisha, brother Mr. Utsav, and my family members for their moral support. My gratitude to them is beyond expressions. I would like to thank my friends Yamini, Joymala, Gouri, Parvathi, Lakshmi, Harshini and all others for their consistent support throughout my research work which helped me to write my dissertation successfully. I offer my regards and blessings to all of those who supported me in any respect during the completion of the research.

Lastly, a whole hearted thanks to Almighty whose blessings made me to complete my research work successfully.

AMITA NANDAL
