ACKNOWLEDGEMENTS

I am deeply indebted to my revered teacher and guide Prof. R.S. Bali, Department of Anthropology, Dr. H.S. Gour Vishwavidyalaya, Sagar, (M.P.) to whom I owe the reality of this work. He spared no pains to help and guide me at every step along the way. His innovative approach, keen interest and constant encouragement have undoubtedly enabled me to complete this monumental work. His phenomenal thought processes and writing skill have put the content of the observation into this final form. I fear that on many an occasion I tried his patience too far, with my foibles, which he has borne with unfailing tolerance for which I profusely thank him. I would like to record my sincere thanks to Smt. S. Bali for her unstinted support, kind consideration and encouragement, who urged me to get at the bottom of this marathon task at the earliest.

I had the advantage of having the specialized knowledge, help and advice of the Late. Benu Mukherjee, M.D. (Pediatric), D.C.H. Prof. of Pediatric Department. Govt. Medical College. Jabalpur (M.P.).

I wish to express my gratitude and humble to thanks to my respected teacher Prof. P.K. Shrivastava, Head, Department of Anthropology, Dr. H.S. Gour Vishwavidyalaya, Sagar (M.P.), for providing me necessary facilities for the present work.
