ACKNOWLEDGEMENT

An acknowledgement is usually taken as a ritual with which a thesis or any academic work opens. I take this opportunity to record my profound gratitude to my esteemed supervisor Prof. J. T. Rao, whose learned and able guidance was indispensable for the completion of this work. He has always been a fountain of inspiration to me. His scholarly suggestion, ready help and creative ideas made it possible for me to bring this humble attempt to completion.

I register my sincere thanks to Prof. V. K. Saxena, Prof. and Head, Department of Chemistry, for providing laboratory facilities and significant co-operation in all respects.

I wish to record my acknowledgement to Prof. A. R. Parikh, Head, Department of Chemistry, Saurashtra University, Rajkot for his kind co-operation for providing IR spectra. I am also grateful to the Director, Regional sophisticated instrumentation center, CDRI, Lucknow for recording NMR spectra.

I am grateful to Dr. (Mrs.) Arghna Mehta of Department of Botany, Dr. H. S. Gour University, Sagar for helping in carrying out the antimicrobial activity studies.

I express my sincere thanks to Dr. S.K. Pandit, Prof. and Head, Department of Chemistry, Govt. P. G. College, Damoh (M.P.) for encouragement.
I acknowledge my senior Dr. E. Omprakash for his help and time to time discussion. I also thank my co-researchers Mr. Rahul Bardia, M. P. P. Raj, Manish Patashkar and N. Srinivasa Rao.

I would like to place on record the long standing and never ending sense of gratitude towards Mrs. J. T. Rao for her constant love and affection.

I acknowledge the help of all research scholars of the department and Bhabha research hostel during my stay at Sagar.

I am thankful to my friend Sachin Tiwari for his cooperation during entire research period.

I am grateful to Mr. Rajesh Pandey of Sai computer center, Sagar for typing the manuscript and to give final shape to my thesis.

Finally I my immensely indebted and heartful gratitude goes to my respected father, mother, sister and jijji for their encouragement and cooperation and everlasting support, moral guidance and blessing throughout my work.
