ACKNOWLEDGEMENTS

I take this opportunity to express my deep sense of indebtedness and gratitude to Dr. S.C. Garg, M.Sc., Ph.D., C.Chem., MRSC, FIC, Assistant Professor, Department of Chemistry, University of Sagar, Sagar for his invaluable, learned guidance and constant encouragement without which this work could hardly be done.

I am grateful to Prof. A.V. Mahajani, Head, Department of Chemistry, and Dean, Faculty of Science for encouragement and providing laboratory facilities. I am also obliged to Prof. S.S. Wigam, retired Head, Chemistry Department, Sagar University for initiating me to this problem.

I express my sincere gratitude to Prof. G.P. Mishra, Head of the Department of Botany, University of Sagar, and to Dr. G.C. Jain, Reader in Criminology, University of Sagar for providing laboratory facilities for antimicrobial activity and paper chromatography work respectively.

I am also indebted to Dr. C.K. Atal, Director, Regional Research Laboratory, Jammu-Tawi, Dr. V.B. Agnihotri, Director, Forensic Science Laboratory, Sagar M.P., for providing instrumentation facilities.

I also take this opportunity to express my sincere
gratitude to Dr. K.L. Dhar, Dr. S.G. Aggrawal, Dr. K.L. Bedi, Dr. Jagdev Sing, Dr. Dinesh, Miss R.K. Jamwal and Dr. C.L. Chopra, Regional Research Laboratory, Jammu-Tawi for generous help in various ways. I am grateful to 'Dragoco, West Germany', for supplying some of the authentic samples of terpenes.

I am extremely grateful to my colleagues Dr. P.K. Dube, Mr. S.L. Dengre and Mr. H.L. Kasera, for their active co-operation and help during the course of these investigations.

It is indeed a pleasure to acknowledge the help of various research colleagues of different departments whose constant help in various spheres added greatly to the completion of this task.

I am thankful to the Department of Collegiate Education, Government of Madhya Pradesh, Bhopal, and to the University Grants Commission, New Delhi, for the award of study leave and Teacher Fellowship which enabled me to complete the present thesis.

In the last, I fall short of words to formally express my hearty thanks to my wife Mrs. P. Oswal, Teacher Fellow Botany Department, University of Sagar, Sagar for her patience and active co-operation.

(V.B. Oswal)
