ACKNOWLEDGEMENTS

It is a matter of great satisfaction and pleasure to express my heartiest thanks and gratitude to my supervisor Dr. R.N. Yadava, Reader, Department of Chemistry, Dr. H.S. Gour University, Sagar (M.P.) for his keen interest, competent guidance, constructive discussion, valuable suggestions and affectionate encouragement during the period of my research work, which helped me to carry out the present investigations.

It is a pleasant privilege for me to express my sincere thanks to Prof. V.K. Saxena, Head Department of Chemistry, Dr. H.S. Gour University, Sagar (M.P.) for his valuable suggestions and for furnishing all the necessary facilities regarding my research throughout the course of present study.

I express my sincere thanks to Prof. S.P. Banerjee, Former Head, Department of Chemistry, Dr. H.S. Gour University, Sagar (M.P.) for providing adequate laboratory facilities to carry out my present research work.

My special thanks are due to Director, C.D.R.I. Lucknow for recording various spectra incorporated in this thesis.

I feel highly obliged to Mrs. Sunila Yadava for her moral support and constant encouragement during my work.

I would also like to express my gratitude and thanks to my seniors Dr. K. I. S. Reddy, Dr. Saurabh Kumar, Dr. Prachi Tripathi, Dr. Saroj Yadav for extending their kind cooperation and needful advice during my research work. I am also thankful to my colleagues Kavita Rathore, Sheetal Sodhi, Shivani Jain and Vikas Verma for their encouragement and moral support through my research work.
I am also grateful to all my well wishers especially Rajesh K. Pandey Sai
Computer Center, Deepthi, Pallavi, Sunil Viswakerma, Arvind Singh, M.P.P Raj,
Shivram, Sambu, Krishna, Vasu and Vijay for helping me in various forms
during tenure of this work.

I greatly acknowledge the ‘pearl precious’ contribution of my friend Miss
Deepu Nadin who shared my dreams and gave constant encouragement and
motivation through his sincere support and thoughts, which strengthened me to
work restlessly.

I would be failing in my duties if I don’t mention the contribution of my
cute elder sister Kalpana Reddy, brother-in-law Prahlad Reddy, younger sister

My present work would be incomplete if I don’t acknowledge my beloved
friend Late Dr. Anand Kumar Reddy and my cousin brother Ravinder Reddy
and uncle Venkatram Reddy, son-in-law Buntty and sister-in-law Padma
Reddy. Though who are now not with me but have been my constant source of
inspiration throughout my work.

Finally I am indebted to my parents Shri Balaswami Reddy and Smt.
Manemma Reddy for their blessings, without which I could never have been
able to complete this work.

V. M.S. Reddy
