ACKNOWLEDGEMENT

I am finding myself short of appropriate words to express my gratitude to my esteemed teacher and supervisor Dr. A. V. Mahajani, M.Sc., Ph.D., Reader in Chemistry, University of Sagar, Sagar, under whose inspiring guidance, valuable suggestions and sustained interest this work could be completed.

I am highly indebted to Dr. S. S. Nigam, M.Sc., Ph.D. (Alld.), Ph.D. (London), D.I.C., F.R.I.C., F.N.A.Sc., Professor and Head, Department of Chemistry, University of Sagar, Sagar and to Prof. A. K. Bhattacharya, D.Sc., F.N.A. Sc., F.R.I.C. (London), former Head, Department of Chemistry, University of Sagar, Sagar for providing me all the laboratory facilities, their kind encouragement and valuable assistance during the tenure of this work.

Further I extend my thanks to all my fellow workers and the members of laboratory staff for their co-operation and for making my stay at Sagar a pleasant piece of memory for future.

Finally I am grateful to the Education Department, Govt. of Madhya Pradesh for granting me study leave to undertake this research work.

SAGAR, M.P.
The 4th October 1969.

(Surendra Nath Sharma)
