ACKNOWLEDGEMENT

It is my privilege to acknowledge with deep sense of gratitude the keen personal interest and invaluable guidance rendered by my teacher and Research work guide and supervisor Dr. O.P. Shrivastava, M.Sc., Ph.D., Reader in Chemistry, Dr. Harisingh Gour Vishwavidyalaya Sagar, at all stages of this work. He has always been a constant source of encouragement and a patient bearer of my mistakes.

I am extremely grateful to Prof. S.P. Banerjee, M.Sc., Ph.D., C.Chem., M.R.Sc., F.I.C., Head, Department of Chemistry, Dr. Harisingh Gour Vishwavidyalaya, Sagar (M.P.) for his constant encouragement, guidance and kindly providing me the necessary laboratory and other working facilities, without which this work would not have been possible.

My sincere thanks are also due to Prof. M.C. Saxena, Department of Chemistry, Dr. Harisingh Gour Vishwavidyalaya, Dr. R.K. Gautam, Dr. Harisingh Gour Vishwavidyalaya, Sagar, and to Dr. S.N. Limaye, Asstt. Prof. Department of Chemistry, Dr. Harisingh Gour Vishwavidyalaya, Sagar for their critical suggestions constant help and encouragement during the course of this work.

I wish to record my sincere thanks to Prof. K.M. Vyas, Head Department of Botany, Dr. Harisingh
Gour Vishwavidyalaya, Sagar for providing necessary facilities to perform toxic study in his department. I am also greatful to Mr. Ashok Shukla, Department of Botany, Dr. Harisingh Gour Vishwavidyalaya Sagar for his help in collecting antimicrobial data.

My most greatful thanks are due to Dr. A.B. Khare, a senior research fellow for his valuable suggestion and who has been a pillar of strength throughout my work.

Thanks are also due to Mr. Nitin Labhasetwar and Mr. Rajendra Namdeo who were kind enough to help me in the different stages of my research work.

Finally I thank my parents for there patience and moral support through out my work.
