ACKNOWLEDGEMENT

It is difficult for me to express adequately how much I owe to my revered supervisor Dr. (Smt.) Archna Pandey, Reader in the Department of Chemistry, Dr. H.S. Gour Vishwavidyalaya, Sagar (M.P.), who took a very lively, encouragement, generosity and valuable direction which have been immense help to me.

I also express my sincere thanks to Prof. S.P. Banerjee, Head, Department of Chemistry, Dr. H.S. Gour Vishwavidyalaya, Sagar (M.P.), for his unvarying kindness and providing facilities in the department for the present research work.

I am deeply thankful to Prof. Subodh Pandey, Head, Department of Economics, Dr. H.S. Gour Vishwavidyalaya, Sagar (M.P.), who treated me as a family member and encouraged me from beginning to end of present research work.

I am thankful to Prof. V.K. Saxena, Prof. K.S. Pitre, Department of Chemistry, Dr. H.S. Gour Vishwavidyalaya, Sagar (M.P.), for their immense help and valuable suggestions.

Can I pay up my indebtedness to my beloved parents and kins who not only built up the congenial environment, but did everything to me for carrying on smoothly and successfully my research work. My silent feelings of love and reverence to all of them.

I am heartily thankful to Dr. Madhvi Choubey and Mr. Kamlesh who gave me familiar environment and have helped me throughout this research work. Lastly I appreciated the cooperation of all my seniors and colleagues for their encouraging support and guidance during my research work in the department.

Sunil Dubey
