ACKNOWLEDGEMENTS

It is my proud privilege to record my deep sense of gratitude and indebtedness to my revered supervisor Dr. R.N. Yadava, Asstt. Professor in Organic Chemistry, Dr. Harisingh Gour University, Sagar for his invaluable guidance, inspiration and encouragement, in absence of which the present work would not have reached to completion.

I express my deep sense of gratitude to Prof. V.K. Saxena, Professor of Organic Chemistry, Dr. Harisingh Gour University, Sagar for his valuable discussion and dynamic suggestions.

I am thankful to Prof. S.P. Banerjee, Head, Department of Chemistry for providing all necessary facilities during the course of present investigation.

My sincere thanks are due to Director, Central Drug Research Institute, Lucknow for recording the various spectra incorporated in this thesis.

My special thanks are due to Mrs. Neelam Saxena, Mrs. Sunila Yadava for their morale boosting and constant encouragement.

I am also thankful to my research colleagues Miss Preeti Verma, Mr. Vinod Saini, Mr. Girish Dixit, Miss Sumu R. Matheus, Mr. Sushant Mandal, Mr. Ravindra Dave, for their cooperation for completion of the work.

I express my profoundest gratitude to my parents for their encouragement and sincere thanks to my brothers and sisters for their cooperation during the period of this research.

With the grace of God I could grasp a bit from the vast ocean of knowledge.

Akha Singh
(Miss Abha Singh)
M.Sc.
