ACKNOWLEDGEMENT

I wish to place on record my deepest and most sincere gratitude to Dr. A.M. Natarajan, Professor, Department of Electronics and Communication Engineering, Bannari Amman Institute of Technology, Sathyamangalam, for suggesting this immensely interesting field of research work and supervising the entire work with utmost zeal. I gratefully acknowledge his kindness, patience, encouragement and understanding towards me. I am very grateful to Dr. V. Sankaranarayanan, Doctoral Committee Member, for his suggestions and encouragement throughout the period of this research.

I must thank The Management of Kongu Engineering College for permitting me to carry out my research work. I am also very grateful to Dr. S. Kuppuswami, Principal and Doctoral Committee Member, for his valuable suggestions and encouragement from time to time. I am thankful to all my faculty members for extending their support during the course of this work.

I would like to thank CIIL, Mysore, India and Department of Science and Technology, New Delhi, India for providing the Tamil text corpora. I would also like to thank Tamil Virtual University, Chennai for sponsoring a project under Tamil Software Development Fund (TSDF) Scheme.

I am very much indebted to all my family members for their invaluable moral support throughout the duration of research study. Finally, I would like to thank all those, who have helped me every step of the way in the successful completion of my research work.
