Acknowledgment

I am grateful to Dr. P. G. Abraham, M. Sc., Ph. D., Professor, Department of Botany, Mar Thoma College, Tiruvalla, for suggesting the problem and for his sustained interest, constructive criticism and counsel.

I am indebted to Prof. P. C. Abraham, Head of the Department of Botany and Prof. Koshy Cherian, Principal, Mar Thoma College for providing necessary facilities. I gratefully acknowledge the encouragement of the former Principals Prof. C. T. Mathew and Prof. C. T. Titus. I express my sincere thanks to the members of the staff of the Department of Botany for their sincere co-operation.

I acknowledge with thanks for the library facilities made available by the Rubber Research Institute of India, Kottayam and the technical consultation given by Dr. V. J. Jacob. I extend my thanks to my colleagues Mr. Thomas Mathew, Mr. Manu Oommen and Dr. Sanil George for their assistance and to Dr. Mary Chacko for scrutinising the manuscript. My thanks are also due to Mr. Thomas T. Joseph for the neat type setting of the manuscript. Finally, I remember with gratitude all those people who supported me to complete this work successfully.

I also register my profound gratitude to my parents for their encouragement and support.

The financial assistance in the form of a research fellowship from Mahatma Gandhi University, Kottayam is also gratefully acknowledged.

George Thomas
