LIST OF PUBLICATIONS

Journals

Conference Publications

1) **Veena Gayathri K** and Vasudevan N “Biodegradation of high concentrations of phenol by a bacterial consortium” Seminar on Trends in Microbial Research by Association of Microbiologists of India, held at Centre For Environmental Studies Anna University, Chennai 2009.

2) **Veena Gayathri K** and Vasudevan N “Degradation of tannin by the bacterial consortium from tannery affected soil” 49th annual conference conducted by Association of Microbiologists of India, held at University of Delhi, Delhi 2008.

3) **Veena Gayathri K** and Vasudevan N “Halophilic degradation of phenolic compounds by mixed consortium under aerobic conditions” 48th annual conference conducted by Association of Microbiologists of India held at IIT Chennai 2007.
4) **Veena Gayathri K** and Vasudevan N “Aerobic degradation of phenolic compounds under hypersaline environment” International conference on Environment (ICENV)” held at Penang, Malaysia 2006.

5) **Veena Gayathri K** and Vasudevan N “Biodegradation of phenolic compounds” 46th annual conference conducted by Association of Microbiologists of India conducted in Osmania University Hyderabad 2005.
