ACKNOWLEDGEMENT

“For Lord gives the wisdom…” With due reverence, I offer the words of gratitude in the lotus feet of GOD and my parents for making me instrumental in completion of dissertation all the way through their blessings or else it would not have been possible.

It would be my proud privilege to tender the lexes of appreciation in respect of my honorable guide Dr. Ved Vyas Dwivedi, Pro Vice Chancellor of esteemed C.U.Shah Engineering, Wadhwan, Gujarat for his erudite instruction, guidance, and support.

It gives me immense contentment to accolade respected Dr. Anju Singh, Research coordinator, JJTU, Dr. Omprakash for facilitating me with all the mandatory academic requirements through out my study and for being my academic patron.

I would be grateful in thanking Department of Electronics & Communication of Gandhinagar Institute of Technology, for providing me with all the obligatory requirements as and when needed.

I am fortunate to have the humble assistance of Dr. N. M. Bhatt, Director, Gandhinagar “Institute of Technology, Gujarat, for there continuous nudging for completion of my work in due course of time and all who have been kind enough in completion of my work unswervingly or obliquely. I am also thankful to Dr. B. S. Sedani, who have rendered their sincere assistance in my research work

I would like to thank my family members, especially my husband Amit, for supporting and encouraging me to pursue this degree.

Last but not least, I thank all persons, who helped me in successful completion of my much awaited research work directly or indirectly.
