Acknowledgement

With deep sense of devotion first of all, I bow my head unto God who always enlightens the path of my life and guides me in my endeavours. It gives me great pleasure to record my deepest gratitude to Professor S.K. Srivastava, M.Sc., D.Phil. (Aldd.), Department of Chemistry, Dr. Hari Singh Gour University, Sagar (M.P.) under whose able supervision the impossible became possible. He helped me to conceive and conclude this study. I greatly respect his inspiring guidance and sympathetic attitude towards me during the entire course of this research work. He was very patient to listen to my problems and readily solved them.

I am thankful to Professor V.K. Saxena, Head, Department of Chemistry, Dr. H.S. Gour University, Sagar (M.P.) for providing all the necessary facilities to carry out the present work.

I am highly obliged to Dr. (Mrs.) Switri D. Srivastava, Department of Chemistry, Dr. H.S. Gour University, Sagar for her invaluable suggestions and affectionate co-operation for the successful completion of this thesis.

I also express my sincere thanks to Librarian and other staff members of the Jawahar Lal Nehru Library, Sagar University from where I collected the material for my research. I am also grateful to the Librarian, Central Library, Delhi University, Delhi who provide me the required text material for this research work.

I am grateful to the Head, RSIC, CDRI, Lucknow (U.P.) for providing the microanalytical data and spectral analyses of the synthesized compounds incorporated in this thesis. I would like to place my sincere thank to the Head, Pharmacological Division, CDRI, Lucknow and Department of Botany, Dr. H.S. Gour University, Sagar for providing the facilities to carry out the various biological activities.
I express my deep and heartfelt gratitude of my grand mother Smt. Kamla Guru whose affectionate care has enabled me to reach this stage today.

I offer my profound respect and sincere gratitude to my honourable father Shri S.K. Guru, respected mother Smt. Sadhana Guru for their continuous encouragement during the research work.

Thanks are due to my uncles Dr. Arun Kumar Guru, Director, I.S.L., Sagar (M.P.), Shri Yashwant Guru, Senior Scientific Officer, I.S.L., Sagar (M.P.) for providing lab. facility and encouragement during the research work.

I express my thanks to Nana Avadh Kishore Pateria, Nani Smt. Prabha Pateria, maternal uncle Shri Girish Pateria, Dr. Ashish Pateria and uncle Shri Aditya Guru for their continuous inspiration during the thesis work.

I heartily express my thanks to my Brother-in-law Shri Sachin Guru and my elder sister Smt. Sonali Guru for their encouragement and outstanding help to complete the research.

I am also thankful to my younger sister Shalini Guru and Santvana Guru for bearing all sufferings during the completion of the work.

I am heartily thankful to my senior colleagues, Dr. Sunil Gautam, Dr. Pranay Guru, Dr. (Ms.) Niharika Guru, Smt. Ritu Yadav and Ms. Hershita Purwar to give their valuable suggestions and cooperation during the progress of the work.

I wish to express my thanks to laboratory colleagues Mr. Vikrant Jain, Smt. Soumya Srivastava, Smt. Varsha Jain, Smt. Vaishali Muley, Miss Shruti Upadhaya, Miss Nailini Srivastava, Ashutosh Mishra, Deepa Albert, Salem Albert, Ashish Jain, Divakar Verma and Prachi Saxena for their encouragement and continued help at every stage.

In last I must express my special thanks to Kirti Mishra, Amit Nigam, Manish Srivastava and Arshana Verde for their cooperation to fulfil the work.

My thank goes to Patra brothers Professional Computers and Rahul Printers to complete my typing work in time.

Swapnil Guru
