ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude and indebtedness to Dr. A. B. Shanbhag, Reader, Department of Zoology, Goa University under whose guidance the work was initiated and completed.

I express my gratitude to Dr. A.H. Parulekar, Scientist Emeritus, National Institute of Oceanography (NIO), Goa; Prof. Dr. D.J. Bhat and Dr. Janarthanam, Department of Botany; Prof. Dr. U.M.X. Sangodkar and Dr. C. Rodrigues, Department of Marine Biotechnology and Prof. Dr. P.V. Desai, Head, Dept of Zoology for showing interest in my study and encouraging me through the work.

I thank the members of the faculty, Dept. of Zoology for their help and encouragement during the study. The research scholars of the Dept. of Zoology, especially, Ms. Sonali Divina Borges and Ms. Renu Walia extended help at different stages of this work.

Prof. K.S. Udupa, Dept. of Statistics, University of Agricultural Sciences, College of Fisheries, Mangalore, Dr. A.R. Biradar, Central Institute of Fisheries Education, Mumbai, Dr. A. Muthiah and P.U. Zachariah, Central Marine Fisheries Research Institute (CMFRI), Mangalore Station, provided necessary help in different aspects of my work. I owe a lot to them for their encouragement and ready help at different stages. I thank Mr. P. E. Sampson Manickam and Dr. V.S.R. Murty, CMFRI, Kochi; Mr. L.V.G. Rao, Mr. T. Suresh and Dr. Sadanand Harkantra, from National Institute of Oceanography (NIO) for their encouragement and support during this study. Mr. Pattabhi Rama Rao, National Institute of Ocean Technology, Chennai, helped in literature search and preparation of graphic presentations. Special thanks to Dr. Ramiah, NIO Goa for critically going through the draft and suggesting improvements in the manuscript.
Dr. Barry C. Russell, Museum & Art Gallery of the Northern Territory, Australia, helped in correct identification of nemipterids collected along the Goa Coast. Ms. Roslinda C. Temprosa, Chief Librarian, International Center for Living Aquatic Resources Management (ICLARM), Manila, Philippines provided a selective literature on nemipterids.

The staff of Fishery Survey of India, Mormugao Zonal base viz. Mr. Dewanand Uikey, Mr. S.G. Patwari, Mr. P. Tamilarasan, Mr. A.K. Mallik, Mr. A. Tiburtius and Mr. B. Ashwathama extended help in collection of samples on board survey vessels, biological works and data compilation. Without their timely help, this work would have been less interesting. Mr. Chandrahasa Amin, a boat owner from Panaji keenly followed these studies and provided samples at no cost. Ms. Savita Adhikari initiated the use of electronic spreadsheets for the data analysis and Mr. Vinod G. Naik assisted. Ms. Helen keyed in the handwritten manuscript for word-processing and Ms. Sarita Honnavarkar incorporated the corrections.

These acknowledgements will remain incomplete without mentioning the encouragement given by Dr. D. Sudarsan, former Director General, Fishery Survey of India, Mumbai and the support given by Dr. V. S. Somvanshi, the present Director General. The catch data collected by the Mormugao Zonal base of Fishery Survey of India has been provided to me by Fishery Survey of India. The landing figures have been provided by the Department of Fisheries, Goa.

I am indebted to my mother, wife and children for their wholehearted encouragement and support during the course of this work.

Finally, I thank THEE for THY blessings.

S. K. NAIK
