CHAPTERS

I. DEFINITION AND PLACE, GROWTH, PROBLEMS OF SSI IN INDIA.. 1 - 52
   Introduction, definition, meaning, importance and characteristics of SSI, Place of SSI in Indian Economy:
   Growth and Scope of SSI.
   SSI during Plan period.
   Industrial policy stated by planning commission during various plans.
   Problems of SSI.
   Development of SSI in India in comparison with other countries.
   Methodology.

II. SMALL SCALE INDUSTRIES IN MADHYA PRADESH DURING PLAN PERIOD... 53 - 92
   First, Second, Third, Fourth, Fifth Five Year Plans and SSI of M.P.
   Development of DIC.
   Draft of Fifth Five Year Plan 1973-83.
   Revised draft of Sixth Five Year Plan (1980-85) and Annual Plan break-up (1981-82).
   Assistance available to SSI of M.P.from various Development Agencies.
Present position in M.P. with respect to capital, investment, employment and gross output.

III. A STRUCTURAL ANALYSIS OF SMALL SCALE INDUSTRIES IN MADHYA PRADESH...

IV. INCOME AND EMPLOYMENT ASPECTS OF SMALL SCALE INDUSTRIES OF MADHYA PRADESH...

Objective, Data base, A study of a sample of six small scale units. Four characteristics have chosen as indicators for the study:

(a) Value added,
(b) No. of Units,
(c) No. of Workers,
(d) Material consumed.

Description of the characteristics and their importance from income and employment generation point of view.

Interpretation of tables and related ratios with respect to above mentioned four characteristics.

Spearman's Rank correlation coefficient.
V. EXPORT PROMOTION AND SSI IN M.P. .. 154 - 179

VI. ENTREPRENEURSHIP IN SSI IN M.P. .. 180 - 206

Definition, Entrepreneurial characteristics. Study of various organisations working for development of entrepreneurship in SSI in M.P. Detail study of various schemes sponsored by Small Industries Service Institute, Indore and Laghu Udyog Nigam, Bhopal.
Suggestions.

VII. SCALE AND EFFICIENCY OF SSI IN M.P... 209 - 226

Objectives, Data base, Methodology, Analysis and the Results.
(a) Output per industrial unit.
(b) Average ratio analysis.
(c) Marginal ratio analysis.
Production function approach.
Conclusion.
VIII. REGIONAL DISPARITIES IN THE DEVELOPMENT OF SSI IN M.P. ...

Motives for seeking industrial decentralization with respect to SSI. Locational requirements of modern small industry with special reference to M.P. Dispersal of SSI and backward areas of M.P. Regional variation of SSI in M.P. and Gini's coefficient of concentration and variations. Share of states in respect of employment and value-added of SSI in M.P. in 1977-78. Location quotients based on employment and value-added.

IX. FINANCE AND SMALL SCALE INDUSTRIES OF M.P. ...

Financial need, Sources of finance:-

(i) Non Institutional.
(ii) Institutional.

Capital Structure.

X. CONCLUSION AND SUGGESTIONS. ...
