ACKNOWLEDGEMENT

First of all, I would like to thank Rev. Pandurang Shastri Athavale (Dadaji) & Jayshree Srinivasarao Talwalkar (Didiji) and God, without them I could not have achieved and completed this important task of my life.

The words are insufficient to express my gratitude to my beloved parents Shri. Pravinkumar H. Tailor and Smt. Ilaben P. Tailor. The present work would not have been possible without their indispensable help, unlimited patience and constant encouragement in all my endeavors.

I thank God deeply for one more reason - for giving me the opportunity to work with my guide, my supervisor Prof. Sunil H. Chaki, for providing valuable guidance, motivation and kind encouragement with keen interest throughout this journey. I owe him a lot for all kinds of support and guidance provided.

I would like to thank Prof. U. H. Patel, Head, P. G. Department of Physics, Prof. A. R. Jani and Prof K. N. Joshipura, former Heads, Department of Physics for providing all the necessary experimental facilities and support for my experimental research whenever needed.

I thank the authorities of Sardar Patel University for providing necessary facilities to carry out the research work. I am thankful to the University Grant Commission (UGC), New Delhi, for providing fellowship as a Project Fellow under UGC Major Research Project vide F. No. 39-518/2010 (SR) dated 07/01/2011.

I extend my sense of veneration to Dr. M. P. Deshpande, Professor of Physics and all other faculties who have assisted me at various stages of my work. I am also thankful to non-teaching staff of the department for their kind co-operation throughout my Ph. D. course.

The help received from Sophisticated Instrumentation Centre for Applied Research and Technology (SICART), Centre for Interdisciplinary Studies in Science and Technology (CISST), Vallabh Vidyanagar, Electrical Research & Development Association (ERDA), Vadodara, Central Salt And Marine Chemicals Research
Institute (CSMCIR), Bhavnagar and Charotar University of Science and Technology (CHARUSAT), Changa, Anand are gratefully acknowledged.

I sincerely extend my thanks to Dr. B. S. Chakraborty, Department of Applied Physics, Faculty of Technology and Engineering and Dr. Vandana Rao, Metallurgy Department and Dr. N. D. Kulkarni, Department of Chemistry, M. S. University of Baroda, Vadodara, Prof. Vasant Sathe, IUC-DAE Indore, for helping in characterization of my specimens.

I thank all my colleagues and friends for their generous help whenever and wherever required especially Maheshbhai, Sandipbhai and Kanchanbhai, Priyanka, Ateka, Amit, Dhaval and Parth.

My deepest feeling of affection goes towards my loving brothers Riki and Krunal who always stay alive in my heart.

I am very much thankful to Dr. Jitubhai, Dr. Apurvabhai, Dr. Rakeshbhai, Dr. Bhaskarbhai, Dr. Riteshbhai, Dr. Mayurbhai, Dr. Mehulabhai, Arjunbhai, Jayeshbhai, Gunavantkaka, Girishkaka for taking my parental care during my research work and also all my divine brothers in “Shreekar Hostel”, my cultural home. They did not allow any negative thought to enter in my mind, when I was tired or discouraged.
