Acknowledgement

Working as a Ph.D. student in Department of Industrial Chemistry was indeed a magnificent and challenging experience for me. It has been a great privilege to spend several years in the Department of Industrial chemistry, Institute of Science and Technology for Advance Studies and Research (ISTAR), V.V.Nagar and I am sure its members will always remain dear to me.

In all these years, I came in contact with many people who directly or indirectly were helpful in shaping up my academic career. It was hardly possible for me to thrive in my doctoral work without the support of these persons.

This is my humble effort to acknowledge the persons.

I am extremely grateful to my research guide, Dr. Jigar V. Patel, Asst. Professor, Department of Industrial Chemistry, Institute of Science and Technology for Advance Studies and Research (ISTAR), V.V.Nagar, for his valuable guidance, scholarly inputs and consistent encouragement I received throughout the research work. This feat was possible only because of the unconditional support provided by him. A person with an amicable and positive disposition, he has always made himself available to clarify my doubts despite his busy schedules and I consider it as a great opportunity to do my doctoral program under his guidance and to learn from his research expertise. I thank him, for all his help and support.

I thank Charotar Ratna Dr. C. L. Patel, Chairman Charutar vidya mandal, vallabh vidhyanangar for developing such a wonderful and
I thank **Dr. P. M. Udani**, Director, Institute of Science and Technology for Advance Studies and Research (ISTAR), V.V.Nagar for the academic support and the facilities provided to carry out the research work at the Institute. **Dr. (Mrs.) Merlin Thomas**, Professor and Head, Department of Industrial Chemistry, Institute of Science and Technology for Advance Studies and Research (ISTAR), V.V.Nagar, has been very encouraging and supportive, and I express my gratitude to her.

I wish to express my warm and sincere thanks to **Prof. (Dr.) V. S. Patel**, Director of Sophisticated Instrumentation Centre for Applied Research and Testing (SICART) for his watchful, intimate, keen monitoring and supervision during the entire work related to making of this thesis detailed and constructive comments and their important support throughout the work.

Some faculty members of the Institute have been very kind enough to extend their help at various phases of this research, whenever I approached them, and I do hereby acknowledge all of them. I thank **Asst. Prof. Dr. Kalpesh Patel**, Dept. of surface coating, Institute of Science and Technology for Advance Studies and Research (ISTAR), V.V.Nagar for his valuable suggestions. **Asst. Prof. Dr. Rohit Dave**, **Dr. Nirmal Patel**, Dept. of Industrial Chemistry, Institute of Science and Technology for Advance Studies and Research (ISTAR), V.V.Nagar, have extended their support in through out the work and I thank them for their contributions. I also thank **Dr. V.K.Sinha**, and **Dr. P.M.Patel**, V.P. & RPTP science collage, V.V.Nagar, for their help.
I am grateful to Dr. Gautam Chauhan, for his analytical assistance, interpretation and discussion of and Spectroscopic analysis and apart to all for providing help in thesis compilation. I thankful to Mrs. Miral Patel for providing help in getting TGA analysis at SICART. I always keep my colleagues Dr. Darshan Patel and Mr. Tirth Patel in hearty touch for creating joyful and fantastic environment in the laboratory for their helping nature and co-operation.

I am also thankful to Mr. Rajan Darji, Manager, Marigold Paints Pvt. Ltd, V.U.Nagar for providing isocyanate adduct and various testing facilities for surface coating formulations.

I am also thankful to Mrs. Parul Thakkar (Store keeper), Mr. Minesh Patel (Lab.Asst), Mr. Rajusinh Rathod (Peon), Mr. Chandubhai (Peon), Mr. Hitesh Machi (Peon) and Last but not least lots of thanks to other non teaching staff members for providing me some valuable chemicals and their help. I owe my loving thanks to my friends, Mr. Pratim Patel, Mr. Kaushik Doshi, Dr. Samir Patel, Mr. Gaurav Patel, Mr.Vijay Patel, Mr.Rajesh Parmar and Mr. Narendra Suthar for their endless encouragement, moral support and fruitful discussions.

I am very much indebted to my family, my father Kiritbhai Parikh, mother Inaben Parikh, wife Soniya Parikh, children Mauli Parikh and Sheeven Parikh, my brother Viren Parikh, his wife Radhika Parikh, his son Ved Parikh my grand mother Lalitaben Parikh and Late Grand father Shri Bhogilal Parikh, who supported me in every possible way to see the completion of this work. I thank my father in law Jagdishbhai Shah and whole family, for their wonderful services all these years.
The work in this thesis has been inspiring, often exciting, some time challenging, but always interesting experience so, I am the only responsible person for the mistakes that might have still managed to escape attention.

Last but not least, I offer my prayer to “God” for his blessings which have helped me in to be sincere and honest through out the work.
