ACKNOWLEDGEMENT

Working as a Ph.D. student in Chemistry was a magnificent as well as challenging experience for me. In all these years, I was exposed to many people who directly or indirectly were responsible in shaping up my academic career. It was hardly possible for me to thrive in my doctoral work without the precious support of these personalities.

First of all, I would like to express my deep and sincere gratitude to my research guide Dr. K. D. Patel, Associate Professor, Department of Chemistry, V.P. & R.P.T.P. Science College, Sardar Patel University, Vallabh Vidyanagar and Co-guide Dr. D. J. Desai, Ex-Principal, V.P. & R.P.T.P. Science College, Vallabh Vidyanagar. Their wide knowledge and his logical way of thinking have been of great value for me. Their understanding, encouragement and personal guidance have provided the platform for the thesis.

My entire work was carried out in the Chemistry Department, V.P. & R.P.T.P. Science College and Sophisticated Instrumentation Centre for Applied Research and Testing (SICART). I wish to express my gratitude to the Chairman, Dr. C. L. Patel, Charutar Vidya mandal (CVM),Vallabh Vidyanagar.

I wish to express my warm and special thanks to our Director, Prof. (Dr.) V. S. Patel, Sophisticated Instrumentation Centre for Applied Research and Testing (SICART) for his support and facilities. His watchful, intimate, keen monitoring and supervision during the entire work related to making of this thesis, detailed and constructive comments and their important support throughout the work.

I wish to express my warm and sincere thanks to Dr. Akshay Gupte and Mrs. Shilpa Gupte, Department of Microbiology (N.V. Patel college of Pure and Applied Science, Sardar Patel University) for their constructive comments and support throughout the work.

I owe my most sincere gratitude to Prof. (Dr.) R. M. Patel, Prof. (Dr.) A. K. Ray (Ex. Professors, Dept. of Chemistry, Sardar Patel
University)and Dr. B. C. Dixit (Department of Chemistry, V.P. & R.P.T.P. Science College, V.V. Nagar), who gave me untiring help during my difficult moments. Their kind support and guidance have been of great value in this study.

I am thankful to my seniors Dr. Gaurang Kharadi, Dr. Ravi Patel, Dr. Santosh Bhuva and Dr. (Mrs.) Trupti Darji for their helping nature and co-operation.

I always keep my colleagues Hitesh Dhokariya, Jiten Patel, Ketan Patel, Satish Vanparia, Tarosh Patel in hearty touch for creating joyful and fantastic environment in the laboratory.

I am grateful to my staff members Dr. K. K. Tiwari, Dr. M. R. Tiwari, Dr. Mitesh Patel, Dr. Sanjay V. Patel, Pranav V. Patel, Nikunj Patel, Vipul J. Patel, Mrs. Miral Patel, and Mrs. Rima Seth for their valuable support. My thanks are due to all the other staff members of SICART.

The work in this thesis has been inspiring, often exciting, some time challenging, but always interesting experience. So, I am the only responsible person for the mistakes that might have still managed to escape attention.

Last but not least, I offer my prayer to “God” for his blessings I have successfully completed my mission.
