Acknowledgement

It is my profound sense of gratitude and indebtedness to my mentors, Late Dr. N. K. Patel and Dr. H. S. Patel, Professor, Department of Chemistry, Sardar Patel University, whose vigilant guidance had always helped me to overcome the difficult situation, constructive suggestion, continuous encouragement and fatherly love has been much important throughout the pursuance of the research tenure.

I am heartily thankful to Dr. H. S. Patel, Head and professor, Department of Chemistry, Sardar Patel University, for providing me research and laboratory facilities.

Words are insufficient to express my gratitude to my father Chandrakantbhai P. Panchal and my beloved mother Jayaben C. Panchal. The present work would have not been possible without their indispensable help, patience and encouragement in all my endeavors. I heartily acknowledge my elder brothers Snehal C. Panchal, and his wife Priyankaben S. Panchal, my little niece “Meera” and my entire family for their selfless love, help and worthy suggestions, constant concern and encouraging motivation.

The successful completion of research work depends to a large extent on analytical services. I am heartily thankful to Dr. Navin Talpada, Microanalyst, Department of Chemistry, Sardar Patel University who has helped in several analysis work needs throughout my research work. I wish to convey my sincere thanks to Dr. Mehul M. Patel, Jr. Scientific Officer, the Gujarat Industrial Research and Development Agency (GIRDA) - Vadodara for TGA analysis and DMA analysis. I wish to convey my sincere thanks to Dr. Akhal Vasudev, Dr. Pramod Patel and Reliable Paint Industry, Makarpura
GIDC, vadodara, Gujarat, for providing Alkyd Resin for my research work.

Special thanks are extended to all teaching and non-teaching staff members of the Department of Chemistry, Sardar Patel University, for their benevolent cooperation. A special word of appreciation for my lab mates Sanket Jani, Chirag Patel, Nirmibhai, Vivek Dave, and Bhaumik Patel and my friends Kaushal Patel, Jinisha, Dr. Amish Shah, Dr. Deep Shah, Arpit, Bhavesh, Dr. Dhaval Patel, Dr. Maulik Pandya, Megharaj, Sanket, Chetan, Dhrumal, Sanjay, Kushal, Vanraj, Mitarth, Mitul, Rushabh, Yatin (Dagho), Hardik, Viren (Bapu), and Jay Ambe Tea Stall, Lalo, Haribhai and Tinabhai.

My acknowledgement would not be complete without expressing due regards and gratitude to all who have helped me directly or indirectly throughout this study for their cooperation and patience without which this study would not have been possible.

Last but not least, I offer my prayer to Lord Ganesha and my divine Guru Shri Sai Baba without whose blessings nothing would have been possible.

Premal C. Panchal
