Acknowledgement

At the end of my thesis, it is a pleasant task to express my thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me. Thesis acknowledgment gives me an opportunity to show my gratitude for the people for their dedications, prayers and supports.

I express my deep sense of gratitude to my guide Dr. H. S. Patel (Professor & Head, Department of Chemistry, Sardar Patel University). It is a matter of honor and pride to get an opportunity to carry out research work under his precious and able guidance. I will always be thankful for his wisdom, profound scientific knowledge and human nature. Sir, I will never forget the efforts you have made for me. I am also thankful to the professors of this department for their valuable guidance.

This thesis would not have been possible without the confidence, endurance and support of my family. I would like to thanks my grand father Ranjithai and my parents Shri Dineshtai R. Patel and Smt. Ushaben D. Patel for giving me the life I ever dreamed and for their constant encouragement before and during my stay at V.V. Nagar. I owe a lot of thanks to my sister, Smuti and jijaji, Hardik for their endless love and motivation.

My special grateful thank to my fiancé Nisarg and his family members for their constant support in my endeavour. I am also very much thankful to all my family members who have helped me directly or indirectly during my research tenure.

My warm thanks to Unde (Jayanttha) & Aunty (Bhartiben), to motivate me in the correct direction during my hard time and for creating homely atmosphere at V.V. Nagar.

Special thank goes to my friend and colleague, Hemali Prajapati. She always gives full attention in solving my problems and moral support for the fruitful discussion about life.
I am thankful to my lab mates Visha Modi, Paresh Patel and Yogesh Patel for maintaining the warm and friendly environment in the laboratory to work smoothly. My sincere thanks are reserved for my seniors, Dr. Divyesh, Dr. Purvesh, Dr. Kaushal, Dr. Darshan, Dr. Darshana, Dr. Amel. I am lucky enough to have friends like Rakesh, Bhatik, Deepali, Dipenbhai, Pradyumnanbhai, Chiragbhai, Bhupesh, Chintan and Purav for causing distress and laugh even during tough moments.

Finally, I would like to convey my thanks to my friends as well as roommates Meha, Tanvi and Megha. They always support me and help me in exchanging ideas.

I would like to thank University Grant Commission of India, New Delhi for providing financial support under “UGC Research Fellowship in Science for Meritorious Students” scheme.

I would like to express my vote of thanks to Teaching and Non teaching staff of Chemistry Department for their kind support.

Last but not the least I offer a humble prayer to my god because of his and only his faith I completed the task successfully.

-Khyati Patel
