ACKNOWLEDGEMENT

I acknowledge with great pleasure my deep sense of gratitude to **Dr. C. Radha Krishna**, for his constant encouragement, valuable guidance and inspiring suggestions throughout the course of this work.

I deem it as my unique privilege to have worked with Professor Radha Krishna, who has been the motive force behind this work. But for his untiring persuasion and unbounded patience it would not have been possible for me to make this effort a success.

I sincerely thank Mrs. of Professor Radha Krishna for her moral support, encouragement, continued patience, tolerance and understanding during the course of this work.

I gratefully acknowledge my sincere thanks to my close friend Mr.Ramana for all his support, encouragement, valuable advices and useful discussions I had with him during the course of this work.

I sincerely thank all my colleagues, friends and well-wishers for their support and encouragement during the course of this work.

I acknowledge my sincere thanks to the authorities of Andhra Pradesh Central Power Distribution Company Limited (APCPDCL) for their support, encouragement, the practical data and facilities provided to me during the course of this work.

Finally, I wish to thank my parents J.Swarajya Lakshmi and J.Krishna Somayajulu, my wife J.Naga Madhavi, my children J.Revanth Kumar and J.Harshit Kumar and my sisters S.Naga Lakshmi and Ch.Sri Lakshmi for their continued patience, tolerance and understanding, making many sacrifices during the course of this work. Without their moral and physical support, this work would never have been accomplished.
