I lack words to express my gratitude to my grandparents for their blessings. The words are insufficient to express my gratitude to loving brother Dipen and sister Deepali for their moral support, altruistic help and constant encouragement. I am also indebted to all my family members who have helped me directly or indirectly during my research tenure.

I am thankful to the University Grants Commission, New Delhi for financial assistance under “Research Fellowship in Sciences for Meritorious Students” scheme.

I bow down to the omnipresent almighty for the inexhaustible blessings which have enlightened my path.
