Acknowledgements

At this juncture of accomplishment of completion of Ph.D. thesis, I would like to acknowledge my sincere gratitude and thanks to the people who have helped me in this journey of research.

First and foremost, I would like to thank my research guide Dr. Dipti Shah, Professor, G. H. Patel Post Graduate Department of Computer Science & Technology, Sardar Patel University for her able guidance, enthusiasm, motivation, support and positive approach. The successful completion of this work would have been impossible without her continuous support and encouragement. My research skills are improved with her advices and challenging questions.

I am grateful to Dr. P. V. Virparia, Director and Professor, G. H. Patel Post Graduate Department of Computer Science & Technology, Sardar Patel University for his support and valuable suggestions those were helpful to me.

I would like to express my special thanks to my family members, especially my parents, my wife and my little son “Soham” without whose moral support, understanding and cooperation the timely completion of this thesis would have been difficult.

I would also like to express my thanks to Dr. D. B. Choksi and other faculty/staff members of The Department of Computer Science, Sardar Patel University for their cooperation, help, and support for research activities.

I must thank Mr. Bipinkumar Joshi and Dr. Ira Kulkarni for their valuable guidance in the field of medical palmistry.

And the last, but most important, I thank god for selecting me to carry on this research work and giving me the opportunity to prove myself.
