"DEDICATED
TO
THE
MEMORY
OF
MY
DECEASED
PARENTS;

Especially
To

MY BELOVED MOTHER

Who left me during the Infancy of my career and who had a towering DREAM of my scholarly life. Alas! .... Life did not favour her to share this DREAM with me."
DEDICATED TO

Mr. SHER ALI BODHA

Who allured my quest for higher studies and illuminated me unceasingly with thought provoking ideas, which served as a beacon-light in my career building.

DEDICATED TO

All My Family Members

Who put every effort to its hard tune to satisfy me in every respect and sacrificed solitarily for the attainment of my present position. Lack of words leave me hamstrung to express how much I missed them during my stay outside the home.
