List of Publications

Patents:
2) “Novel Non-viral Vector for Delivery of Small Interfering RNA” Indian Patent - Application No-560/MUM/2012, Publication date: 22/02/2012.
3) “Small Interfering RNA Nanoconstructs for Chemosensitization in the Treatment of Lung Cancer”. Indian Patent - Application No-559/MUM/2012, Publication date: 22/02/2012.

Publications:
10) **N. I. Khatri**., M. N. Rathi, D. P. Baradia, and A. N. Misra. siRNA Nano-Constructs for chemosensitization of Gemcitabine HCl in lung cancer treatment, Pharm Research. (Revision Submitted)
