ACKNOWLEDGEMENT

The satisfaction and euphoria that accompany the successful completion of any task would be incomplete without mentioning the people involved because success is the epitome of hard work and perseverance. First and foremost I will like to express my deep gratitude towards my honorable guide Dr. H. N. More, Professor and Principal, Bharati Vidyapeeth College of Pharmacy, Kolhapur, for his constructive criticism, felicitous advice, stimulating scientific, critical thinking and meticulous attention, which were the real driving force throughout the course of this work. His thorough knowledge and suggestions on the every new difficulty I faced in my research work, made it possible for me to work on such a novel topic. It is indeed a great pleasure in taking this privilege to express my sense of gratitude for his precious guidance, deep interest and the invaluable time he spent for me from his busy schedule during the entire research work. His great encouragement and unfailing support provided me the needed morale and confidence to carry out my work. It is difficult to put in words, in its real sense, the care and personal affection given by him for my work. Thanks a lot Sir for everything.

I am thankful to Hon. Vishwajeet Kadam, Secretary, Bharati Vidyapeeth, Pune and Dr. Shivajirao Kadam, Vice-Chancellor, Bharati Vidyapeeth University; Dr. H. M. Kadam, Regional Director, Bharati Vidyapeeth, Pune for making platform available to carry out the research work.

I am grateful to Dr. K. R. Mahadik, Principal, Poona College of Pharmacy, Pune for his constant motivation and inspiration and providing Malvern particle size analyzer facility.

I am very thankful to Dr. S.B. Bhise, Principal, Sinhgad College of Pharmacy, Lonawala, Pune for his constant motivation and inspiration throughout my life.

I am very thankful to Dr. P.V. Kasture, Principal, D.Y. Patil College of Pharmacy, Pune for his constant motivation and support throughout my work.
I am very much thankful to **Dr. M. S. Bhatia**, Vice-Principal, Bharati Vidyapeeth College of Pharmacy, Kolhapur for making available the necessary facilities and solving our difficulties from time to time.

I wish to show my gratitude to **Dr. Varsha Pokharkar**, Mr. Ashwin Mali, Mr. Vinod Research students, Poona College of Pharmacy, Pune for their help in Particle size analysis and constant help, and their valuable guidance from time to time.

I express my most sincere gratitude towards **Dr. Sandesh Jadkar**, Mr. Shinde, Mr. Krishna, Physics department, Pune University, Pune for their excellent cooperation and for imparting their superior knowledge and suggestions in PXRD, TEM and SEM studies respectively, which were extremely critical and important towards the research work.

I would like to thank **Prof. K.B. Burade**, Prof. Chopade, Govt. College of Pharmacy, Karad for providing Rabbits for the Pharmacokinetic study.

I wish to express my deepest gratitude towards **Dr. N.S. Naikwadi** Vice-principal, Head of Department Pharmacology, Appasaheb Birnale, College of Pharmacy, Sangli for her valuable support and providing albino rats for antihyperlipidemic activity.

I am thankful to my friend **Dr. Rohit Shah**, Appasaheb Birnale, College of Pharmacy, Sangli for providing cooling centrifuge facility and for his superlative technical knowledge imparted and for his valuable suggestions in every aspect of this project.

I am also thankful to **Dr. Amelia Avachat and Dr. Ranpise**, Mr. Dinesh, Mr. Mahesh, Mr. Namdeo, Sinhgad College of Pharmacy, vadgoan, Pune for their help in freeze drying and providing freeze drying facility.

I am thankful to **Prof. Navale**, Govt. College of Pharmacy, Aurangabad for his support and providing Particle size analyzer and Zeta potentiometer facility.

I am also thankful to **Mr. Sandip Kamble**, Bombay College of pharmacy, Mumbai for providing Zeta potentiometer facility.
I am also thankful to Dr. P.S. Patil, Dr. Moholkar, Physics department Shivaji University, Kolhapur for their help in the interpretation of PXRD data and Mr. Kalas, Mr. Mohite, Mrs. Shinde from Department of Common Facility Center, Shivaji University, Kolhapur, for helping in FTIR, DSC and Pxrd studies.

I am also thankful to Dr. Milind Sabnis, Mangesh Laboratory, Kolhapur for his kind co-operation in lipid profile test. I am also thankful to Mr. Patil Unique Biologicals, Kolhapur, for his timely provide materials for my work.

I am thankful to Mr. Yen Sui, Purac Biochem, Netherland, for providing gift sample of Polylactide co-glycolide, BASF Chemicals for providing gift sample of pluronic F 68, Aurobindo Pharmaceutical Ltd. (Hyderabad, India), for providing gift sample of simvastatin, lovastatin for my research work.

I am very much thankful to Sou. S. S. Khanwilkar madam and Shri. Nalawade sir PGBUTR, Shivaji University, Kolhapur; for their consistent support in completing the formalities in submitting this thesis.

My special thanks to Dr. N.R. Jadhav, Dr. A. A. Hajare, Dr. S.G Killedar, Prof. R.J. Jarag, Prof. S. A. Pishawikar, Dr. John D'Souza, Dr. Mrs N. M. Bhatia for their help, motivation, criticism and help throughout my thesis work.

I feel immense pleasure to thank my colleagues, Prof. F. A. Tamboli, Mrs. R.R. Jarag, Prof. V. T. Pawar, Prof. P. B. Choudhari, Prof. D. V. Mahuli, Prof. U. S. Patil, Prof. R.P.Dhawale, Prof. D.P. Mali and Prof. S.D. Jadhav, Bharati Vidyapeeth College of Pharmacy, Kolhapur, for making and maintaining such a healthy atmosphere for research in college. I am especially thankful to Mrs. S. S. Patil, Librarian & Mr. S. S. Mali for their help in my referencing and indenting the chemicals or glassware and photographic work respectively.

I am thankful to Prof. D. D. Chougule, Dr. C. S. Magdum, Dr. S. S. Patil, Dr. A.V. Yadav Dr. S. K. Mohite, Dr. A.S. Kulkarni, Dr. N.H. Aloorkar for their encouragement and support.
I am thankful to all our office staff and supporting staff, especially Mr. N. D. Khandagale, Mr. R. T. Chavan, Mr. V. R. Nalavade, Mr. Sanjay Patil, Mr. Sachin Patil, Mrs. R. R. Kulkarni, Mr. C. H. Suryavanshi, Mr. V.R. Jadhav, Mr. Mulani, Mr. S.Y. Kamle, Mr. Shekhar Khond, Mr. Lad, Mr. Satish Mokale, Mrs. Pendkar, Mr. D.S. Manjare, Mr. Kumbhar and Mr. Omkar for being helping me during the work.

I am thankful to my students Kevin Garala, Manojkumar Patil, Sachin Khandekar, Amit Shinde, Arun Waghule, Manoj Paithane, Amol Pitrubhakta, Vinod Ingole, Hemant Kakade, Rohit Awale, Ratan Tone, Abhijit and Vishal for their generous help during my work.

Last but not the least, I am thankful to almighty God, my family for endless support and love, my wife Anita and son Kaustubh for bringing love and happiness in my life. I would like to pay high regards to my loving parents, Mama, Mami, Dr. Sachin Chinde, younger brother Balu, Chaya, Sumit, cute Sayali and all my relatives for their moral support, trust, patience, blessings, encouragement and inspiration.

I wish to express my sincere gratitude and apologize to everyone else I could not mention in this page who in any way has helped me, contributed to the thesis and/or made it possible for me to complete.

Anilkumar J. Shinde
