time.

I am also thankful to Dr. P.B. Raghuwanshi, Vidya Bharati College, Karanja
(Lad), Mr. P.S. Utale, Mr. Mangesh Kadu and Mr. Dhiman, who took keen
interest and help me in every phase of my research work.

I will be failing in my duty, if I do not express my sincere thanks to RSIC,
Nagpur University, RSIC, Chandigarh and Hyderabad for invaluable help they ren-
dered me in completing spectral data.

I am also grateful to my family members for their inspiration and endurance
during my research work and also to those who contributed directly or indirectly
to the completion of this study.
